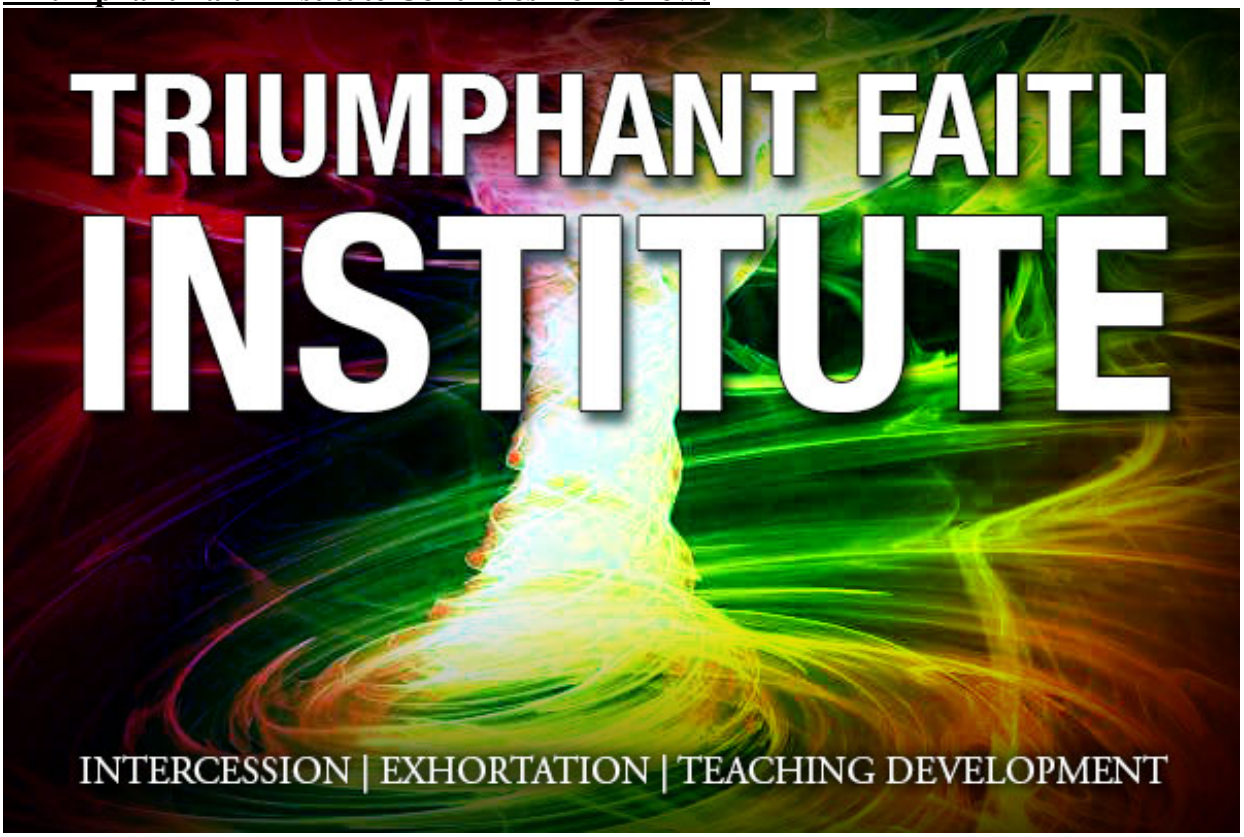
Triumphant Faith Institute Continues Tomorrow! Join us for Watchman Intercession at 5:15 AM, Exhortation and Deliverance at Noon, and Teaching and Development at 7 PM!

Tuesday, January 13, 2015

Dear Triumphant Ones:

Thank you for praying for our travel to Shanghai. We arrived safely and are looking forward to praying for the window of Heaven to be opened over China. We are 14 hours ahead of Central Time, so its actually early Wednesday morning here. Continue to pray for us, as we travel from here for meetings in ***Taiwan, Hong Kong, Indonesia and Thailand***. There is a stirring in the heavens, and we are declaring that "Hei" wind of Heaven will be released into each of these nations!

Triumphant Faith Institute Continues Tomorrow!



We are so grateful for the tremendous response we received from last Wednesday's launch of the Triumphant Faith Institute. I love how the Spirit of God directed us to structure our modules to include:

1. ***Watchman Intercession at 5:15 AM***
2. ***Exhortation and Deliverance at Noon***
3. ***Teaching and Development at 7 PM***

Each of these components is vital to breaking through to a new dimension of faith and overcoming, and each provides a unique opportunity to advance in the year ahead.

Once again, we begin at 5:15 AM with our *Watchman Intercession Module*. Everyone is welcome to join

us for ***5:15 Movement*** at 5:15 AM in the Prayer Tower, as ***Melinda Richardson*** leads us in a new form of watching for the week ahead.

At noon, we will continue with our *Exhortation and Deliverance Module*. Everyone is welcome to join us in the Prayer Tower for a special time of Holy Spirit empowerment and motivation to cause you to walk in a new dimension of freedom, wholeness and victory. A common snare that keeps us from advancing is when we halt between two opinions or mindsets. Therefore, I have asked ***Linda Heidler*** to teach on **"Overcoming Doublemindedness!"** Be sure to find your time to enter in and become single-minded for the year ahead.

At 7 PM, we will conclude with our *Teaching and Development Module*. Everyone is welcome to join us in the Tabernacle worship and spiritual development. **Robert Heidler** will be teaching on **Triumphant Faith Arising (Part Two): Possessing the Promised Land with Joshua!** Then he will further develop this unit next Wednesday night. For those who arrive early tomorrow night, don't forget that we always have snacks and a light dinner available for purchase in the Arbor.

Pre-registration is NOT needed to join any of our classes. Rather, for those of you who attend onsite, we will ask you to record your participation at the registration table for each module you attend. If you are joining by webcast, we will have a log of those who participate online. We will then keep a record of everyone who attends each module.

How the Institute works! Each course will be certificated through modules. For example, participating in all three modules on Wednesdays would give you 12 modules after four weeks. I feel that once you have any unit of twelve (12) modules, you need to be sealed with a new Faith certificate. Another example is if you just choose to do the Watchman Intercession module. Then 12 intercessory modules would also make a seal of faith for certification. Twelve (12) is linked with a new administration. Every time you complete 12 modules, I believe some new administration of faith and impartation will occur in your life. We are excited about this unique opportunity and hope many of you will join us as we develop triumphant faith!

Unlocking Your Identity!

Robert Heidler's message on Sunday morning was wonderful. In a time of transition, the enemy particularly seeks to keep a people locked up with their past mistakes and failures, never allowing them to embrace the new garment that Lord has prepared. But this is a time the Lord is developing a new identity within His people. If you were not able to hear Robert's teaching on **"Unlocking Your Identity and Your Calling For the Future!"** be sure to watch the watch the webcast replay.

Blessings,

Chuck D. Pierce

Key Resource to Help you Rise Up with New Measure of Triumphant Faith!

Restoring Your Shield of Faith *by Chuck D. Pierce and Robert Heidler*

Satan's repeated attacks using our own feelings of fear and doubt can wear down our belief in the Lord's power and goodness. False visions and whisperings that God has not kept His promises, news reports and feelings of self-pity are all venues Satan uses to undermine the most important part of our lives here on earth: FAITH. You will learn to be an overcomer, fighting and winning the daily battles against Satan's insidious objective. As your faith grows, doors of opportunity will swing open, asserting Christ's promise to His followers that through faith, nothing is impossible! This book explains what the door of faith really looks like. We also discuss the seven dimensions of faith.

Descending into Triumph

True worshippers are those who worship in Spirit and in truth. When we find this place in Him, we find reality. When we come to the end of a season, we must have a mentality of TRIUMPH. Descending in Triumph is profound! The music that the Glory of Zion International Worship Team has brought forth will help you press forward. You have to "GO UP" to "GO FORTH" in TRIUMPH! This collection has some awesome songs to propel you into the future. "Sing Oh Barren One" (Hannah's Song) by Tiffany & Aaron Smith stirs your heart to break forth in song and break out of desolation. "Strike the Doorpost," led by John Dickson, is an incredible song that reminds you that we can praise our way through every entry way or new gate that we come to throughout the year. LeAnn Squier and Chad Foxworth remind us with a new rendition of "Amazing Grace" that even though we've been through many trials, His grace has always been there and will be there to keep us going forth this year. Many other prophetic utterances and songs will cause your faith to come alive and give you new strength to move forward.
