

## **Review! Arise! Be RESTORED and OVERCOME! Key Prophecy - "There is A Wind!" Don't Miss Dutch Sheets Tonight!**

### ***DEAR OVERCOMERS:***

***Happy New Year!*** We are here at the office getting ready for tonight! I have spent the last four days reading each note, looking at each wonderful card, and even reviewing the cards of comfort sent on behalf of Bernice Croix, Mama, ending her life here and going to be in the full Presence of the Lord. Each of you ministered to Pam, me, and the staff with comfort, imparting joy, and sending revelation. Some of your dreams are so interesting as we enter the year ahead!

**Watch Last Night!** After an incredible International Worship time led by James Vincent and Team last night, and Cindy and Mike Jacob's Turnaround Blowout, I went home to a quiet night. Pam and I chose our Read Through the Bible Plan and then I waited for midnight and declared "TURNAROUND"!!!! If you did not watch our International Night of Worship and Turnaround Service, find time to do so! We had five languages in worship! This replay will go through Tuesday, January 6.

***\*\*\*Stop and remember your favorite moment of the last year. Then remember the moment that you thought, 'I just can't deal with this situation'! Then praise and thank God for both!!!! Ask Him to heal and restore you over any wounds! Receive and release forgiveness. As He inhabits the praise that you are releasing, rise up with new strength and vision!***

***NOW LET'S BE RESTORED FOR THE FUTURE! After Death ... Arise and Finish Strong!*** I am sure many of you were impacted greatly by our Celebration Service on Sunday morning when Keith Pierce shared on "**After Death ... Arise and Finish Strong!**" If you were not able to join us, you can still watch the [webcast replay](#) through the end of the week. Keith is a person who knows and imparts grace.

During worship, the Spirit of God began to move powerfully. *Acijam Otxoa* released a tongues message and then Barbara Wentroble joined me in interpreting:

***"Your feet will walk in a different direction this year. For even though you felt shaking ground last season, now you will walk on ground that is being solidified. There will be many on your path that will flee from the anointing that is now rising up in you, from your feet. I will shod your feet with peace, in a new way. Then the enemies that have tried to get on your highway will move out of the way. For many enemies have stepped onto the highway that you're walking, but because you stood in the shaking, now the wind of My Spirit will clear your path ahead (Isaiah 35)."***

***“I do have a fresh wind of My Spirit that is blowing, for I am coming with My breath in a new way. As in the beginning when I breathed breath into that first man, and he was able to rise up as a living soul, I am coming with a fresh breath for you. Even as it was in the Valley of Dry Bones, when I breathed breath into those dry bones, and I caused them to rise up in a new way and become a mighty army, I am breathing My breath into a corporate man in the earth, in this hour. No longer will it just be one person with the Breath of God, but a mighty army. A corporate man in the earth is arising with fresh breath.***

***“Even in this hour I am coming with a breath of God into lungs that have not been able to breathe. I am coming into My people in a new way. The healing breath of the Lord is rising up, and to those that the doctors have said, ‘There’s no cure for you,’ I say My breath is stronger than the report of the doctors. I am coming with fresh breath. So rise up in the strength of the Lord and let the breath of God come into you, and see what I am going to do.***

***“This breath is going to give voice to My people, in this hour. Where the enemy has come to stop the voice of My people, I am going to cause a voice to be released that will stop the power of the enemy. So let the breath of God come! Let the breath of God heal! Let the breath of God restore! For My breath is flowing in a new way, in this season.”***

***“My wind will be like a vacuum, and I will suck out of you those things that you thought you could have never have been delivered from. The wind of My Spirit will both suck and remove, and then refill how you need to be filled, to create the identity that I have for you in the future. This is My day where M’Kaddesh, the Sanctifier, will come. This is My day where Tsidkenu, the Righteous One, will rise within you. Know that there will be a moment when you feel like your breath has been sucked away, but it’s because I have pulled out things that you thought could never be removed. Then you will feel a breath come in that will fill you in a way that you will become buoyant with faith, in days ahead.”***

This also reminded me of a prophetic word given on March 30, 2014:

***“This is not the same as you’ve seen in the past. This is not the same as what you’ve asked for in other seasons. This is a different glory, a glory change that I’m bringing into the land! You will shudder at the changes that are on the way in your land, and in other lands and with other people! For this is a time that the blood that runs deep will now be sanctified. This is a time that My Spirit will go deeper than I have gone in the past. For this is a time of birthing what is new, but yet bringing forth that which is old, and treasures will erupt! Treasures will erupt! Treasures will erupt! I will bring forth what has not been seen, and I will cause your gifts to come alive in ways they’ve never come alive. You will feel the shuddering birthing pains within you, and from that you will bring to birth the change that is necessary for you to enter into this season.***

***“So know this: dragons are on the move, and even the “great dragon” is now mounting up. Nations that will align are now aligning. So watch carefully and look deep into the circumstances around you. For these are days of great change. Watch the signs on your road,***

*for your road is now changing. New opportunities are coming. Watch now, for I will realign your path!”*

In January, I will be traveling to many of the “dragon” nations in Asia. Please begin praying for the Lord to order our steps, and that a new move of Glory is released all across Asia.

I want to encourage you to listen to Josh Black’s, “*Hear Your Call!*” on the “[Once More into the Breach](#)” CD. *We must each review and reevaluate our call for the year ahead!*
