# *Overthrowing Thrones so Worship can be Released!*
# *Keith Pierce Ministering this Sunday!*

Friday, January 18, 2013

*Dear Shifting Saints:*

Many people struggle their entire life with regret. Consequently, we had planned for Pam Pierce and Linda Heidler to minister this Sunday on overcoming regret. However, Keith called me this afternoon here in Arizona and said the Spirit of God had given him a message on worship and overthrowing thrones that has gotten stronger and stronger. We will find the right time for Pam and Linda to minister on regret, but this Sunday the Lord is redirecting our focus and Keith will minister on **"Overthrowing Thrones so Worship Can Be Released!"** I hope many of you are able to join our Celebration Service this Sunday at 9 AM as we press into a level of worship and revelation that topples thrones of iniquity and prepares the way for the Shekinah Glory of God.

**Continue to Find Your Place in Prayer and Worship!**

This has been a full week here at the Global Spheres Center. On Tuesday morning Anne Tate led a Breaking of the Day Prayer Watch at 3 AM. On Wednesday at noon, Robert Heidler kicked off our class on The Watchman Anointing by teaching on ***"Standing Guard Over Your Inheritance!"*** This 10 year ***ayin*** season is one is which the "eye" of God is watching. If He is watching, then we must also learn how to watch. Therefore, Robert shared on what a watchman does, and how to receive an anointing to watch against the enemy. This Kingdom Force Institute class will be available on replay through Tuesday. Then, next Wednesday, Linda Heidler will teach the next class in this series on ***"Watching in the Night!"***

On Wednesday night, we had our initial ***"Let Judah Goes First"*** gathering. This was a wonderful time of worship led by James Vincent and the GZI Worship Team, followed by a powerful time of ministry led by Carol Boren and the "Miracle Team" that we are forming. You will certainly want to watch that replay through next Tuesday to allow your spirit man to rise up in worship. This monthly service will next occur on Wednesday, February 6.

Yesterday (Thursday) morning Deborah DeGar led a powerful time of intercession along with members of the GZI worship team. If you need to press into war strategies to secure your future, please watch this prayer gathering that will be available through Saturday.

**Dutch Sheets to Join our School of the Prophets on February 8-10!**

Excitement is building for the launch of our School of the Prophets on Friday, February 8. **Paul Wilbur** will be joining us as he introduces his brand new Integrity recording, Your Great Name! He is looking forward to releasing new sounds of faith and worship into our atmosphere. On Saturday, **Barbara Wentroble** will be accompanying **Robert Heidler** and me for our School of the Prophets. Come expecting to both hear and release the mind and heart of

God in new ways. We just learned that **Dutch Sheets** will also be able to join us on Sunday morning for our Celebration Service. So, from beginning to end, this will be a weekend you don't want to miss! Make plans to join us from Friday night – Sunday morning at no charge – either onsite or by webcast – and be activated in a new way! This will be a great weekend you don't want to miss!

**This is a Month of Shifting! Shout Your Blessings Are on the Way!**

Don't miss out on watching the webcast replay from our Firstfruits Celebration for Shevat. Do not be captured by doubt or unbelief. Rather, continue shouting, "My blessings are on the way!" During this gathering, I heard the Spirit of the Lord say,

***"This will be the month that many start returning.*** *For many will recognize and say 'I'm going in a direction I do not need to go.' There will be a dramatic stop in many structures and in many people. In the midst of that, My people will cry out a name, and that person will hear, and start returning to the House of the Lord.* ***This is a month of shifting,*** *and though the enemy would love to seduce you off your path (just as Daniel was seduced and attempted to be seduced with delicacies), I say that you will eat what I say eat. And, because of that, you will taste and see that I am good. Your identity will rise up in a new way, and though you've been striving, there is rest and help on your path. I say to you, shout your blessings are on the way. For blessings and favor that didn't come in the last season, this season you will see favor released."*
