

Shout My Blessings are on the Way! Prophecy - The Ball is Rolling!

Monday, January 14, 2013

Dear Overcomers:

This past week we encountered several challenges with our server which affected our website, webstore, webcast replays and email. We are grateful to be up and running again, and apologize for the inconvenience this caused for many of you. If you tried to send us an email and received an error message, you may want to try sending it again.

Saturday night's **Firstfruits Celebration for the Hebraic month of Shevat** was just awesome. This month is actually a time to shout, "***My blessings are on the way!***" Robert Heidler taught on the significance of the tribe of Asher and how it applies to us at this time. If you were not able to join us onsite or by webcast, you can watch the [free webcast replay](#) through February 5.

Yesterday morning Robert continued teaching at our Celebration Service with a powerful message on "***Your Foundation of Righteousness: Checking for Cracks in Your Foundation!***" This is a month where the Lord wants to make sure there are no cracks in our foundation so what is built at this time can stand firm in days ahead. If you could not join us, be sure to watch the [webcast replay](#) any time this week.

Starting the Year Off with Worship Replays

Many of you have inquired about the free webcast replays from Starting the Year Off with Worship. We are resuming those tomorrow with the following schedule:

- Thursday, January 10:
 - **Pamela Hardy & Chuck Pierce: *Ascending in Worship: Building New Worship Altars!***
- Friday, January 11:
 - **Aaron Smith, Isaac Pierce and others ... *The Next Generation Leading Us Forward with a New Sound!***
- Saturday, January 12:
 - **Cindy Jacobs ... *Dream Again: Preparing to Prosper Like Joseph!***
- Sunday, January 13:
 - **Peter Wagner ... *Overcoming the Spirit of Religion!***

This will allow you to see all of the webcasts that were not available during our server issue. Click [HERE](#) to watch our latest replay.

A New Schedule for Revelation and Gatherings

The Lord continues to give us insight and direction on how to establish our intercessory, worship and teaching base as we move forward this year. He is not allowing us to settle down in what we are used to or what we have been comfortable with. Rather, we are allowing Him to fine-tune our gatherings, and have this updated schedule for the weeks ahead:

Tuesdays at 3 AM Breaking of the Day Prophetic Warfare Gathering in the Prayer Tower (live webcast only)

Wednesdays at noon “The Watchman Anointing” - Teaching in the Prayer Tower

Wednesday at 7 PM *Once a Month “Let Judah Go First” Worship Gathering + Miracle Team Prayer

Thursdays at 6 AM “War Strategies for the Future” in the Tabernacle with Deborah DeGar and worship team

Sundays at 7:30 AM Sunday Morning Prayer – *now in the Tabernacle!*

Sundays at 9 AM Celebration Service in the Tabernacle

Then in February we initiate several key gatherings:

February 8 (PM)-10 Kingdom Force Institute--School of the Prophets

February 22 (7 PM) Friday Night Shabbat gatherings begin in Solomon’s Porch West

Find your place of prayer and fellowship as we establish our footing for the season ahead! Also, don’t forget about our **“8-Day Focus to Press Us Into the New”** as we end one season and begin the next. You can go to our website to follow this prayer focus or read our daily [Facebook](#) postings.

Let the Ball of Change Roll and Pave a Way for a New Path of Breakthrough!

Don’t forget about the prophetic words and videos we update on our website. Here is a recent word that that will encourage you to press forward!

“I’m starting a ball rolling and I am going to roll over what stood in your way in the last season. I’m starting a ball rolling and I am going to make a way and pave a way for you to come on through. Move quickly behind Me, for things are now rolling from Heaven. For you have rolled your cares upon Me and now the ball is rolling on your behalf and becoming a way opener for you. I have rest times along the way, and I have refreshments prepared for you, but don’t stop till you see My table. And don’t be afraid, for many times My table will be prepared

in the face of your enemy. Eat and sup with Me and your enemy will even give up the spoils that are in his house.

“I’m removing a coat of rejection from My people. No longer will they be afraid to be rejected. As they go and sit I will use them to determine who will receive My grace and who will choose My judgments. Remove your old coat of rejection and put on the armor of glory that I am contending for you to wear.

*“My harvest fields are two layers down. Therefore, you must remove the iniquity out of the ground, and as the iniquity flees, the seed you’ve sown will begin to rise. **Open your eyes, for I will use you like I used Judah to plow the fields that were sown in other generations.** Your Redeemer is already in and has the field planned for you. But the crop has yet to spring forth. Watch carefully for a new crop is springing forth and your eyes will see it flowing in the wind, and you will say, ‘I am ready to go in with my Redeemer.’ And what wasn’t redeemed in last season, I will have you bring out with arm loads in this season.*

*“The sound that has captured you, that held you serving the slavery of your bloodline, I say I will liberate you from that sound. Where you have wealth strategies, I will uncover those strategies; and where you had healing hands, I will anoint those hands; and where you had the ability to write I will cause you to write and pen what will cause even the learned to come alive. **My redemptive gifts will come alive in My people this season.***

*“For you’ve been in agreement with poverty and you’ve been in agreement with lack and you’ve been in agreement with infirmity. **But I say there is a shout of ‘SO!’ coming up within My people.** And when I hear it, what you’ve sown will then come alive. For through the ages I changed the call of My people and I called them to accomplish My purpose. I say your call is changing and Heaven is releasing a call to new fields -- a call to plow and a call to see what has been sown in the last 50 years.”*
