

Lift Up Your Eyes and Look Again!

Thursday, January 16, 2014

Dear Praying Friends:

This is a season to see! God wants to increase your ability to perceive! He's saying, "LOOK AGAIN!" He wants you to see beyond the horizon line of your present state. He wants you to see in ways you have not seen. He wants to give you clear vision to see what you could not see before. Lift up your eyes to the heavens, and look on the earth beneath (Is. 51:6). Just as the Lord opened the eyes of those who were walking on the road to Emmaus, but did not yet recognize Him, He is ready to open our eyes so we can experience the to visitation of God around us.

I hope many of you will make plans to join us on January 30 – February 2 for **Look Again: A Time to See His Power and Presence Moving!** We have a strong team of leaders joining me, including *Dutch Sheets, Barbie Breathitt, Eddie James, Jeff Jansen, John & Sheryl Price, and Robert Heidler.*

Wednesday at Noon: Protecting Your Inheritance!

Allow her testimony to bring you to a new level of faith and thanksgiving!

ANTHEM ... this Saturday Night at 7 PM!

This Saturday night, our next generation will lead us in our Anthem gathering. Everyone, *regardless of their age*, is invited to come and enter in to support the generations, as we worship and hear from a special speaker. Anthem is a monthly gathering from 7PM – 9PM, led by our young people. Haley Pierce shares, *"In this new year we are going to move forward and break old cycles and barriers. During this gathering the worship, dances, skits, and guest speakers will help move us toward what God has for us, as the generations link together and move as one army for Him! We hope to see you all there!"* If you cannot join us onsite, you can watch by live webcast or webcast replay.

Blessings,
Chuck D. Pierce

Key Resources to Help You SEE in New Ways!

[The Watchman and Watching!](#) by *Chuck Pierce, Robert & Linda Heidler, Anne Tate and LeAnn Squier*

We have moved into a new season of watching. We are called to watch in a new way and to move differently than we have in the past. As Watchmen, it is important to know the sphere of authority in which we are called to operate. New tools are being given to those who watch, in order to be able to watch more effectively. Whether you have moved in a watchman gifting for years, or are just discovering you have a watchman gifting, this Center for Advancement class will aid you in gaining a better understanding of how the watching gift develops and operates and what you are to watch for and over. Sessions include:

- *The Watchman Anointing: Standing Guard Over Your Inheritance!*
- *What to Look for to Get Into Your Cycle of Blessing!*
- *Women as Watchmen!*
- *How the Watchman Gifting Develops and Operates!*
- *Watching at the Gate in Your Sphere of Authority!*

Also included in this set is a sovereign time of dedication in the Israel Prayer Garden with Apostle Jay Swallow. The Native American seeds he brought for the Israel Prayer Garden were such a sign of how our seed and watching is connected with Israel.

Releasing the Seer Gift and Multiplying Your Vision! by *Chuck D. Pierce, Robert Heidler, Barbie Breathitt, John Price and Norma Sarvis*

The Lord desires that each of us would see clearly. Too often we limit our vision and allow our minds to dismiss or marginalize what the Lord is illuminating. This hinders us from identifying the resources He has prepared for us, and from gaining the strategy to see them multiply. This Center for Advancement course will not only help you “turn and see” in a new way, but will also allow your vision to be “touched” and activated in new ways! Each of the teachings in this course will provide you an incredible foundation to help you see in a new way.

Chuck Pierce shared how in a new administration we are being activated to see our future and supply. Each of us can learn to recognize patterns of multiplication so that we prosper in shifting times. Chuck also shared eight principles for multiplication in a new administration.

Robert Heidler taught on “Lessons from the Almond Tree: Decreeing God's Word so that He Can Watch Over and Perform!”

Barbie Breathitt shared on “Activating the Seer Gift through Communion with the Father” and increasing our vision through testing and learning the language of the Spirit.

John Price led us in activating the seer gift, and learning to gain revelation through what we see around us.

Norma Sarvis taught on Hebraic Seeing and how Jews see differently from others. She also shared on the importance of understanding blindness so that we better understand seeing.
