Dear Gathered Ones:

Our new CD, *Unlocking Triumph*, is simply amazing. The sound and creativity on this album can unlock the sound of Heaven within you that will cause you to triumph in days ahead. When I was listening to this CD last week, one of the songs, “*The Faith of the Troops*,” quickened to me. The Lord showed me that this was THE SONG to express the new paradigm He is longing to establish, for revival prayer in our homes. We are not merely in a season of gathering, but one when the faith of the Triumphant Reserve would be multiplied as we join together in prayer.

A portion of the prophecy in this spontaneous song is: “*For I am repositioning My troops. Heaven is beginning to go before you. Therefore I am calling you into new levels of unions and alignments. I am putting you in place, and even though some of you have been on the shelf, you’re coming in. And even though some of you have been lost, you’re being found. This is a time of My gathering. Hear the gathering of heaven and you will begin to find your path and align yourself in a new way. For I will have a faith explosion of manifested glory. A faith explosion is now coming into the earth!*”

Our Media Team has been compiling short videos for each of the songs on this CD. Click [HERE](#) to hear *LeAnn Squier* to share more about “*The Faith of the Troops*” and allow your faith to grow in a new way. On the same [webpage](#), there are other songs you can learn more about as well. And of course, if you want to purchase your copy of the CD, we still have it available on our [webstore](#) for the special price of **\$10** (regularly \$15) through February 15.

Developing Houses of Prayer!

We are so grateful to be hearing from many of you who have responded to the call to seek the Lord for revival and breakthrough in your homes. This is a time of unlocking revival not only in our homes, but also in our businesses, schools, cities, states and nations. Our weekly Breaking Open the Day corporate prayer on Wednesdays at 6 AM is one way to enter into this movement. However, we also want all of you to consider developing a group that meets in your home on a day and time of your choosing. This will result in groups crying out day and night all around the globe! We would love to hear what the Lord is showing you in these prayer times in your home, so be sure to reply to the list of questions below. Remember, this is our time to seek (and keep on seeking), and knock (and keep on knocking). We want to unlock a revival of prayer in the houses of this network. We want all of you to get unlocked to lead and enter in with this call!

If your home is functioning as a house of prayer, *and you have not already responded*, please copy the questions below into another document/email, answer, and send them to chuckp@gloryofzion.org with *New Revival Movement* in the subject line. One of our leaders here will contact you.

1. *What is the focus of your group when you gather?*
2. *Does your group pray together when you meet? How?*
3. *Do you understand how to embrace God's now word and use this as a weapon for war? Can you give an example?*
4. *Do you have a specific team that prays together? If so, where are you located (city, state/province, nation)?*
5. *How are you using the prophetic revelation that comes forth here in your times of prayer?*
6. *Do you have a testimony of how your group(s) prayer has made an impact?*
7. *Have you seen your prayer producing multiplication and growth?*
8. *How do you see your prayer giving birth to the next move of revival?*
9. *What is your understanding of Kingdom Prayer? Please explain.*
10. *How will your prayer and warfare align with GZI and GSI to move Kingdom forward?*

We call for the scattered to be connected, that connective tissue will form to hold the bones in order. We call for revelation for this new prayer and intercession to be birthed. This is the Triumphant Reserve emerging. A new breath is being blown into the Army, so we triumph!

New Fire Being Initiated in Europe: An Update from England!

I cannot express how grateful I am for your prayers for me and the team on this international assignment. We simply could not be keeping up with demands of ministry and traveling from nation to nation without you standing with us to make a way for the Spirit of God to break forth time and time again. Our time in Dudley, England with Trevor and Sharon Baker was just amazing. The meeting hall was packed, and there was such an anticipation for what lies ahead. There is a new fire being initiated in Europe, and the LORD is causing His people to arise and shine in a new way. Please continue to pray for a fresh baptism of fire that will birth a people commissioned for signs, wonders and miracles.

I am presently in Belfast, Northern Ireland with Kevin and Rose Sambrook for *Accessing the Gateway to Victory*. Declare that the gates of this region will break open for the King of Glory to enter in all of Ireland! Early tomorrow morning we begin our trip home, so please pray for a rear guard to secure all that has been gained, and that we stay in God's timing to be back in Corinth for our Awakening in the Season Ahead that begins tomorrow (Saturday) night.

New Fire!
