*Dear Faithful Ones:*

I am grateful for all of your prayers as I minister in England. ***England is on the verge!*** Being on the verge is like being at a crossroads! Our gathering on Tuesday night in Burton-on-Trent with the Watsons was wonderful! Lots of leaders and key intercessors were there. One group from Liverpool traveled down to be part of what God is doing.

Here in Dudley at the Secret Place Conference with Paul Keith Davis, Barbara Yoder, and Sharon Stone, the presence in the House is just awesome. This gathering, hosted by Trevor and Sharon Baker (whom you met at Head of the Year in September), is key each year for all of England. Please continue to pray for the meetings here today. A young man named Oliver was painting a picture during worship. The Spirit of God instructed me to explain that when the arts are being used as an expression to help us see, they should be interpreted (like tongues). I used the painting and began the service by prophesying. It was an individual and corporate word for each there. Below is the painting and word given. May you embrace and meditate on this!

*"If you will look, you will see life, called a tree, that I have planted and that is drawing you up a path. The path that I have you on is not particularly a path you have chosen. For some of you,*

*for the path that I have put you on, you will have to walk on water to move into your next place. But the further you move through the wilderness that has surrounded you, and the more you allow the wilderness to shake around you, you will move on that path and dance forward. For the shaking of your path is linked with the dancing of My hand, causing you to dance. You have already moved past some darkness that has been waiting to encroach upon you, and as you move past, the light gets lighter and the anointing in you gets stronger. And as I did with Peter, I can cause your shadow to cast and even overcast the darkness that's been on you, and cause the darkness to wither. But I can also cause your shadow to be cast over others who can't find their way, and they, too, will find their way. As you move forward, there is a greater glory for you to walk through and into. I'm opening up a dimension from which you can't even see the way to express yourself at this time. Press forward! Do not be afraid! Don't go up, for I will straighten out what has been crooked and the glory that is waiting on you will be greater than any glory you have known."*

### **Barbie Breathitt Ministers Tonight! Receiving Power to Build and Advance!**

Everyone is welcome to join our gatherings tonight at the Global Spheres Center. Beginning at 6 PM, **Joseph Pierce** will be leading corporate prayer in the Tabernacle to help us begin the Hebraic day. After corporate prayer, Joseph will take the Youth to IHOP for dinner.

At 7 PM is our Receiving Power to Build and Advance service. **LeAnn Squier** will be leading worship, and **Barbie Breathitt** will be ministering on "**Becoming A Voice in a New Era!**" This will certainly help you interpret and apply the direction God is giving each of us through daily encounters, dreams and vision. If you are not able to join tonight's service, the webcast replay will be available through Saturday night.

### **"The Battle for the Promises!" From Ziklag to Hebron to the Throne!**

On Sunday morning, **Robert Heidler** will be ministering. He is back from New Zealand and will be sharing on David's army and how our forward movement positions us for divine recovery. Keep moving forward and you will recover all! On your path is new anointing. If you keep moving forward, you will have excess, access, and breakthrough! Don't miss Robert's message on "**The Battle for the Promises: From Recovery to Advancement!**"

### **IMPORTANT!!!! A New Administration: Understanding God's Government Today!**

One of the key concepts we must understand in this new year is how the Lord is establishing His government and administration. Next weekend, on **February 3-4**, Robert Heidler and I will be teaching a new Center for Advancement class on "**A New Administration: Understanding God's Government Today!**" There will be no charge to join us onsite or by webcast for this class which begins on Friday evening and continues on Saturday morning and afternoon. On that Saturday evening (February 4) at 7 PM, we will have our **Firstfruits Celebration for Shevat**. Make plans to join us as we shout "Blessings are on my way!"

### **Israel Prayer Garden Update**

Every successful gardener understands the times and seasons. This is a season of preparation for what will come in days ahead. We are so grateful for all the rain the Lord has sent these last two

days. As you can see, the water level is rising in the Garden! Be sure to take a minute to read Pam's latest post on the Israel Prayer Garden by clicking [HERE](#).

**Thank You for Praying for Doris Wagner**

I am grateful for each of you who prayed for Doris' knee surgery on Tuesday. Her doctor successfully fused the knee with the best possible option. She also came out from anesthesia without problem and maintained her blood pressure. She is expected to remain in the hospital for a day or two more before going home. Please continue to pray for her recovery, and for the incision to fully heal.

Blessings,  
*Chuck D. Pierce*
