Monday, January 3, 2011

Dear Rejoicing Troops:

Glory of Zion will be a “Prophetic Furnace” waiting for you to step in and be fired up for the future! What an incredible weekend! The Lord orchestrated a major sign for the year ahead!

I loved how we ended 2010 with joy and celebration, began 2011 with incredible revelation on understanding our relation to the land, and then completed our weekend with two amazing services yesterday morning when the Spirit of God broke through with power.

In the first service, the Lord released a call for the next generation to move out of the shadows, open their mouths, and begin declaring their future along with the generations ahead of them. This was followed by ***Allen Faubion*** sharing on his ministry trip to India, and how the Lord is aligning us with that key nation which will become an even greater global influencer.

Near the end of his message, **the Spirit of God supernaturally re-ordered the service to address how the spirit of Mammon could no longer “ride” us this year**, and how we could choose to break free of its influence. You will have to see the webcast replay to believe how the Spirit of God orchestrated a prophetic act in that first service.

In the second service, ***Barbara Wentroble*** shared on ***fighting for our prophetic promises through dreams and visions***. This is a season when we must allow the Lord to activate our “hearing” in new ways so we come into agreement with all He is speaking to us. Both of these services are available on [webcast replay](#) through this Wednesday.

Tuesday Morning Prayer Resumes! Join us tomorrow at 6 AM (CST) when we meet corporately for prayer. Of course, this will be available by [webcast](#) for those who cannot join us onsite. We will also make the [webcast replay](#) available through next Monday night. Join with us at the breaking of the day and declare that His Light and Word will penetrate your atmosphere and direct your day.

This is a year to ESCAPE! Pray through the Night Watch all Year! Each month of the year, we will focus on an hour of the Night Watch. This month (January) we will pray through the first hour of the Evening Watch – from 6 to 7 PM. We encourage each of you to daily spend time in prayer during this first hour of the Evening Watch. If you are in the area, we will have prayer in our “Furnace Room” each Thursday night this month from 6 PM to 7 PM. However, you are free to pray wherever you are (individually, with a group, or even over the phone) as we focus on praying from 6 to 7 PM throughout January. Next month, we will pray each day from 7 PM to 8 PM, etc.

What a Day of Joy and Celebration!!!

For those of you who were not able to join us on Friday for the **Day of Joy and Celebration**, you will want to order the CD or DVD set! We began with **Robert Heidler** teaching on the **Hebraic Year 5771** with a focus on the cherubim and how this speaks of the call to holiness in this year. Next, **Alemu Beeftu** shared from his book, “Heart Over Head”, and **how to walk in the authority and power of humility and love in the next season**.

In the afternoon, **Eitan Shishkoff**, an apostolic leader in Israel, exhorted us to **depend more on God and each other** by sharing from the life of David and Jonathan. I shared on how to **watch for signs in the year ahead**. If we do not recognize the signs the Lord is providing us, we will miss the confirmation and direction He is providing to help us navigate this time of great change. On Friday evening, we celebrated the **Firstfruits Blessings associated with the Hebraic month of Shevat**. This was such a vibrant time of rejoicing and celebration where we studied the power of sound and shouted “**My blessings are on the way!**” Through this week, we have the [CD or DVD set](#) available for only \$20 (regularly \$35). Also included in this set are both of the messages from Sunday morning!

Connecting with Israel in a New Way!

I have loved to see how each of my children is making their various transitions in life. Last summer, Daniel felt his season of law enforcement had drawn to a close. In his time of transition, I invited he and his wife, Amber, to join me when I traveled to Israel in October. While there, the Lord began to refine and adjust their course and birth a connection with Israel in a new way. For several years now, Amber has been developing the new oils and candles with her business, New Wine Lights. **Now the Lord is calling them to connect with the people and land of Israel in a new way, and begin working to develop new products and relationships that are more closely related to the land.** Tomorrow, they are leaving on a 9 day trip to Israel to begin developing relationships with the hopes of moving there on a more permanent basis. On this trip, they will be traveling to Tel Aviv, Jerusalem and other points north and south to meet with leaders and learn how they can be an encouragement to those in Israel. Lindy Heidler, who lived in Jerusalem for five years while working with Succat Hallel, will be joining them on this initial journey to assist in their travels and connections.

Please pray for this trip for Daniel, Amber and Lindy – for their safety and sensitivity to the Spirit’s leading. Just this past weekend, they made a wonderful connection with a leader’s son who owns an olive grove in northern Israel. I see this trip as a prototype for developing connections with Israel. For those of you who would like to see into this new venture, you can give [online](#) or by calling 1 (888) 965-1099 or 1 (940) 382-7231.

On Saturday, we held our first official course for *The Center for Advancement*, [“May Your Land Rejoice: Understanding Your Relationship with Land and Place!”](#) The level of revelation on our relation to the land was nearly overwhelming! The Lord wove together the messages by all four of us to help us better understand our connection with the land. **Robert Heidler** not only developed the spiritual significance of the land, but provided clear examples of how our actions (good and bad) affect the land we live upon. **Pam Pierce**, with her background as a Master Gardener, taught us about the relationship of our bodies and land, and how our shalom and wholeness is dependent on our relation with the land. **Linda Heidler** shared wonderful insight on the Tribe of Asher, and how the fullness of their redemptive identity was tied to and expressed through the land yielding its increase. I showed the relation between God, Torah, land and man, and how God’s government in the heavens can overcome the generational iniquity in the land and establish His Kingdom rule and reign in the earth realm. We are making this course available by webcast replay through January 31. If you were not able to join us on Saturday, you can still purchase your [e-ticket](#) and watch a replay at a time of your choosing. The cost is \$20 per person.

Next month we look forward to teaching on **SEE YOUR PROVISION! *Releasing the Seer Gift and Multiplying in Your Field!***

Blessings,
Chuck D. Pierce

The Promise - Volume One is the culmination of almost four years of studio work. The album consists of ten songs that, in one way or another, reflect on a wide range of emotions, experiences, and exhortations that Aaron and Tiffany wish to convey to their audience.

Songs include: *Ready to Go, Do it Again, Have Your Way, Be Thou My Vision, Teach Us How to Pray, Finales and Futures, The Architect, Corridors, The Promise, and Anatomy of Desperation.*

SPECIAL: \$12 (regularly \$17)

The sound for this [season](#) is here! This CD includes the Hawaiians (who joined us at Starting the Year off Right 2010) and the latest music you have been hearing from the Glory of Zion International Worship Team. Songs include [The Restoration Song \(You Are Not Alone\)](#), [The Journey](#), [HE Knows](#), [Planted by the Waters](#), [Fill the Room](#), [Signal Fire](#), [The Kingdom Advancing](#), [Firesong](#), [Oli Makapukaua](#) and more. Listen to this CD and allow your faith to be stirred to see the darkness turn and the Glory of the Lord fill your atmosphere. **Special: \$12** (regularly \$17)

[Seeing Beyond](#)

Glory of Zion International pulled aside in the month of August to hear a new sound. I heard the Lord say these words, "**THINKING AND SEEING BEYOND!**" I knew He was saying we must go into the Throne Room past anything that has hindered us in the past, and press to hear His word for the next season.

Never before have I heard blended songs of the three generations coming forward like these that have been captured on this CD. You will hear the release of heaven's spontaneous worship. Then you will hear songs that were developed. The song "[Dance, Dance, Dance](#)" will blow you away! You will be swept into a tremendous emotional release as you listen to "[Teach Us How To Pray](#)" and "[Kingdom Come](#)." From the wild war sound of "[Speed the Spoil](#)" to LeAnn Squier's "[Heaven's Wings](#)" which covers you with the peace of heaven, this CD will help you go beyond your last place. Isaac Pierce's song for all of the prodigals who cry I want to be "[Clean!](#)" is an amazing sound for an amazing time.

Special \$10 (Regular \$14)

[Letting Go](#)

There is a sound in the throne room of Heaven that calls to us in the earth to *let go* and worship. **One of our most difficult calls in life is to LET GO and LET GOD.** LeAnn Squier has captured that sound of release. *Letting Go* is one of the most beautiful expressions of freedom and joy that I have ever heard. Imagine yourself floating through space or walking on water. *This Gospel Music Association award winner for Songwriter of the Year helps to bring Heaven's expression into your living room, car, bedroom, office and heart.* The songs and sounds on this project are a must to help us lose control of our desire and experience HIS desire for us. We invite you to enter in with [One](#)

[Magnificent Song](#), let your heart *be exposed*, let the thoughts of your mind be released, and let your hands be raised in surrender to the King of all kings. The special sound that has been achieved on [Blackbird](#) expresses the cry of a nation for freedom. This song, written by the Beatles about the cry of a young Black girl for freedom in the 1960s, was chosen by LeAnn well before the last Presidential election. The prophetic dimension of this compilation of songs for this time surpasses most worship expressions in this day and hour. *Savor the sound of **Letting GO!***
