

Israel: Connecting our Ongoing and New Ventures!

Dear Friends:

As you know, this ministry is very connected in Israel. Last year, we invested as much as \$175,000 in our activities and with individuals that we are connected with in Israel. We believe that if we give first in God's covenant land, then we will always prosper and have what we need for other lands.

Martin and Norma Sarvis are our main contacts in Israel. They live in Jerusalem and write the Prayer Updates from Israel. (Click [HERE](#) to read their most recent update.) This is probably the clearest, best weekly prayer focus from the land. Norma wrote today and said that the dollar is lower than ever, and they actually will need an extra \$1,000 per month to meet expenses. They have an apartment overlooking Mt. Zion that hosts many activities that propel the Body of Messiah forward.

You have supported others that we are also connected with in Israel from North to South (or from Dan to Beersheeba) such as Eitan and Connie Shishkoff, Avi and Chaya Misrachi, Avner and Rachel Bosky, Dan and Patty Juster, and many others.

Yesterday, we sent a team to better connect us with all and to move us forward with the land we love and focus on as we pray for and reconcile all other nations.

Connecting with Israel in a New Way!

I have loved to see how each of my children is making their various transitions in life. Last summer, Daniel felt his season of law enforcement had drawn to a close. In his time of transition, I invited him and his wife, Amber, to join me when I traveled to Israel in October. While there, the Lord began to refine and adjust their course and birth a connection with Israel in a new way.

For several years now, Amber has been developing the new oils and candles with her business, New Wine Lights. ***Now the Lord is calling them to connect with the people and land of Israel in a new way, and begin working to develop new products and relationships that are more closely related to the land.*** Yesterday, they left on a 9 day trip to Israel to begin developing relationships with the hopes of moving there on a more permanent basis. On this trip, they will be traveling to Tel Aviv, Jerusalem and other points north and south to meet with leaders and learn how they can be an encouragement to those in Israel. Lindy Heidler, who lived in Jerusalem for five years while working with Succat Hallel, will be joining them on this initial journey to assist in their travels and connections.

Please pray for this trip for Daniel, Amber and Lindy – for their safety and sensitivity to the Spirit's leading. Just this past weekend, they made a wonderful connection with a leader's son who owns an olive grove in northern Israel. I see this trip as a prototype for developing connections with Israel.
