Must See!
Dominion: Taking or Receiving!
Prayer Tower Completion Begins!
The Healing River Forms!

Monday, January 9, 2012

Dear Accelerating Saints:

I am presently in Michigan where I was with Apostle Barbara Yoder last night for a key regional gathering for Michigan. The Spirit of God moved powerfully with prophetic declarations concerning the Great Lake region of Michigan. This evening I will be ministering in western Michigan for another [Regional Gathering](#) in Holland hosted by Pastor Fred Gaulker.

I have never seen or heard a clearer message than what Robert Heidler shared in the Sunday Celebration Service at the Global Spheres Center! I hope that many of you were able to join yesterday morning's Celebration Service. If you were not able to enter into the worship led by LeAnn Squier, and hear Robert Heidler's message on "**Dominion: Taking or Receiving?**" you will want to watch the [webcast replay](#) that will be available through Wednesday night. ***This is a must for today!*** Doris Wagner wrote after the service and shared, "*Hey gang: This morning was a home run. Robert, what a spectacular teaching! Thank you!!!!*"

Pray for us as we travel! As you can see below, this is a very demanding month for me with travel to Oregon, Washington, Illinois, South Texas, Honduras, England and Northern Ireland. For those of you who are in Oregon or the surrounding states, both Dutch Sheets and I will be there for "[What Is God Saying for 2012?](#)" This will be one of our 12 regional gatherings this year to mobilize the Triumphant Reserve.

Dominion! How Kingdom Action Can Change the World by C. Peter Wagner

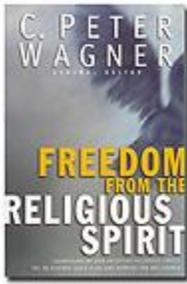

It's a new day, and the Holy Spirit is giving a clear word to the church: TRANSFORM SOCIETY! As noted spiritual warfare and church growth authority Dr. C. Peter Wagner explains, the Holy Spirit is calling for a paradigm shift in the Church's approach to salvation and societal change. While examining the growing momentum of today's Second Apostolic Age, Dr. Wagner answers questions about the powerful strategies being revealed, including:

- How is dominion theology operating in the world?
- Does God really allow us to make some decisions about the future?
- Is wealth ever a legitimate tool of the Church?
- How do today's "workplace apostles" lead in spiritual battle?

\$14 (hardcover)

Freedom from the Religious Spirit by C. Peter Wagner, foreword by Chuck D. Pierce

This book boldly explores and explains how the religious spirit has deceptively labored to stop the progress of the Church throughout the ages. Religion is linked with worship, and when pure, is very powerful. However, religion is also defined as an organized system of doctrine with an approved pattern of behavior. Behavior has to demonstrate a proper form of worship, and this is where one can move from pure and undefiled religion, to ritual. The truths contained in this book will help you unlock revelation for today so that you can embrace new paradigms and enter into new forms of worship. (**\$10**)
