

## **A New Wineskin for a New People Arising! Latino Gathering to Begin this Saturday Night!**

October 1, 2015

*Dear Arising Ones:*

One of the calls of the Global Spheres Center has been to be an Oasis for the Nations. More and more, we are seeing our worship become more international. And of course, we have people connected with this ministry from nearly 200 nations. Therefore, I have waited for the Lord to orchestrate a weekly Latino service. When Gerardo Ortega moved from Alabama to Texas this summer, I knew the Lord was opening the door for a gathering to see our Hispanic brothers and sisters come today and align in a new way. I have known Gerardo for several years, and love the apostolic and prophetic call on his life.

This Saturday night will be the first Hispanic service. **Everyone, regardless of their ability to speak or understand Spanish, is welcome to join this time of worship and prophetic decrees in the Prayer Tower at 7:00 PM.** Here is Gerardo's vision for these gatherings:

*I believe that the Lord has reserved the best wine for the last season but this new wine will require a new wineskin. Here at Global Spheres Center we are creating the possibility and the opportunity to equip with the correct and necessary tools for the Hispanic Church to step into this season. The implementation will generate a change in the wineskin, forming a new identity in the midst of the Hispanic community to be ready for the outpouring of the new wine. We want to create not only an event but a movement of change in the midst of the Church. This is just the beginning!*

This gathering will be in Spanish without translation to English. However, this should not stop anyone with a heart to worship from participating. This gathering will not be webcast, so all who want to be part of this new wineskin and enjoy worship in Spanish are invited to join Gerardo and others this Saturday night at 7:00 PM.

Blessings,  
*Chuck D. Pierce*
