

## ***A Time to Overthrow Thrones!***

***Dear Friends:***

I have asked Anne Tate to start us on a journey of governmental praying, beginning tonight. Governmental praying shifts the way earth structures are ruled. Many of you have heard me speak of the vision God gave me of the Triumphant Reserve rising, along with Apostolic Centers (Freedom Outposts), throughout the earth. I also saw ruling governmental structures in every state and throughout nations that were causing us to ***not see*** God's Kingdom power manifest.

We must shift our praying beyond where we are, to dethrone these Thrones that are producing iniquitous limitations in God's people. If we do that, we will go beyond our present limits and into the blessings that God has for us this year. This, below, will be a beginning of moving us into a new dimension of praying. All of you are invited to join Anne tonight at 7 PM in The Tabernacle for this time of shifting. If you are not able to make it to the Global Spheres Center, you can also watch by webcast.

Blessings,  
***Chuck D. Pierce***

### ***From Anne Tate: A Time to Shift into A new Momentum for Kingdom Change!***

Chuck Pierce gave a word last month that beginning on 10/10/12 governments would start shifting into their next level of rule. As I meditated on this word, I would read emails and listen to others and they would all say that certain things would manifest by 10/10/12. For instance, right after our Head of the Year gathering, I was working with a group that was hearing a sound out of the Middle-East. They then uncovered that Jordan had been given an ultimatum by the Muslim Brotherhood to shift by October 10, or certain things would develop there. The Lord gave us a strategy to cause worship and decrees to be released for 12 days. This worship focus has circled the globe as people have worshipped and decreed that Jordan would shift into a new level of covenant alignment. This strategy began on September 29. One of the things that I released in prayer was that Jordan would have a supernatural revelation of the difference between the destiny of Ishmael's relationship with Isaac, versus Ishmael's relationship with his brother, Esau. One is a covenantal relationship that leads them into a relationship with God, while the other leads them to a relationship with those that would be anti-God. You can read about this in Chuck's book, *God's Unfolding Battle Plan*.

As a result of praying through the Jordan issue, I felt that the same thing that we were praying there, was happening in me. I sensed that I was being pressed and threshed so that a new governmental authority would arise within me.

On Monday, October 1, the Lord wakened me with a word that shifted my perspective in the decree. He impressed me to decree shifts that would bring me into greater Kingdom government. I felt I was to “watch” to see what shifts He would have me make. The next morning the Lord woke me singing, “Rise Up, Oh Men of God, have done with lesser things.”

The last 10 days I have seen and heard many things the Lord would have me shift into and up to, as I stood in this watch.

God's Kingdom Government has culture, customs, laws, supply, and mantles. His Kingdom consists of a King that rules with righteousness, peace, and joy. Therefore, His people rule with the same! When we are submitted and aligned properly, humility is produced. Humility produces a force and creates a new level of authority. Righteousness, or right standing, produces a shield that cannot be penetrated by the enemy.

Tonight, we will decree and make our sound heard for the government of God to be established in our midst. Tonight we want to release a sound of covenant that will align God's people in a Holy array for future victories. We will be calling forth the Triumphant Reserve!

Blessings,  
*Anne Tate*

**[Time to Defeat the Devil](#)** by *Chuck D. Pierce*

As we all know, times are changing, and there is a historic shift occurring in the church today. In the midst of this change, the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our risen Lord, Jesus Christ. Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.
