

Getting Positioned to Spread the Fire (Hong Kong and Thailand)

Wednesday, October 13, 2010

Dear Devoted Seekers:

By the time you receive this report we will have landed in Hong Kong. With all I needed to complete before leaving, I actually rearranged my flight to depart on Tuesday night and fly through the night to arrive in Hong Kong on Thursday morning (we are a day “ahead” already with the time change). On Thursday evening we will have a meeting at [Solomon’s Porch](#) with our host pastor, Samuel Song. This is an English speaking, international congregation. On Friday, I will also gather with their leadership for a lunch meeting. That evening, I will be ministering at [A Night of Ministry](#). This will be a city wide gathering with Cantonese translation that several partners (including Pastor Samuel Song and Pastor Eddie Ma) will be coordinating. Please pray for the release of revelation that will sound a wakeup call in Hong Kong! Before we flew out, June Rana had the staff gather to pray for the team and Carol Boren said she heard a “GONG” in Hong Kong. The sound released caused many to awaken to the move of Holy Spirit and create a new movement in that region. One the plane flight over, I keep hearing, “Train their hands for war!”

On Saturday morning, we will fly on to Thailand for a large national conference hosted by Pastor Nimit Phanich. The theme of this gathering is [Refining Fire of Revival](#) and is based on the prophetic word I released there in 2008: ***“You will be known as the Nation of Fire!! ... Look up, for I AM setting a FIRE between the powers and principalities that have ruled this nation and My people that are now coming alive in this nation. Now I will shift the government of this land in a new way. I will loose the FIRE to purge that which is not ruling the way that I long for My rule to occur.”*** I saw six different heads. Leviathan is synonymous with government. I felt like this was a Leviathan structure that was controlling Thailand. When the seventh head raises up correctly I believe the power of this structure will break. I heard the Lord say, ***“I AM raising a new head and it will display My Head of Fire. I will cover My people now. They will come alive and from this night forward, I will surround this nation with the Fire of God!”*** The day after I released that word, violent demonstrations began in the streets of Bangkok related to the government of the nation, and this unrest has still not been fully resolved. In addition to praying for our health and safety, cry out for the baptism of refining fire in Thailand will produce a remnant with a clear voice and powerful testimony.

Robert & Linda Heidler as well as **John & Sheryl Price** have returned several times to minister in the nation since that word was given. They will also be ministering at this gathering. The other team members are **Anne Tate, Brian Kooiman, Chris Hardy, Patricia Roselle** and **Raymond Banks**. On Sunday morning, I will be ministering at our Host Pastor’s church, [The United Church of Commandment](#). Robert will teach that afternoon, and then in the evening there will be a large [National Assembly](#). Join us in declaring that Thailand will become a prototype for the new apostolic wineskin that is forming from nation to nation.

This is the second major international trip this month. I hope you have received and read the Rome/Israel trip report. Your gifts and prayers are so appreciated. You can give on our [secure website](#) or by calling (888) 965-1099 or (940) 382-7231 to give by credit card.

The Issachar School - Healing Body, Soul, and Spirit by *Robert Heidler, Linda Heidler and Chuck Pierce*

We in the Western world tend to compartmentalize our lives into physical, mental and spiritual (or body, soul and spirit). However, a proper biblical world view is one of a unified, whole person in whom these parts are not separate entities, but are interconnected. This series is an excellent guide on healing the whole person - body, soul and spirit (1 Thes. 5:23) - both physically and spiritually. Topics include:

- According to Faith: Gaining a Biblical Expectation of Life
- The Power of the Blood in Forgiveness and Healing
- Building the Concept of Healing Within You: Approaching Healing by the Spirit

The Ark is Moving: Be Mobilized for War!

When the Spirit of God is moving, how will we choose to move with His presence? **The Ark is Moving: Be Mobilized for War** was our first *Global Spheres* gathering, and called us to follow in a new way. This is a time that we must order and align as a faith-filled troop that can follow a course of victory and triumph. **Cindy Trimm** paved the way with a directive on how the Lord was dividing and aligning our mindsets so that His people could unite in a new power and authority. **Chuck Pierce** exhorted us how to stop clinging to an old wineskin and embrace a new administration that would represent the Lord's Kingdom authority. **Peter Wagner** taught on biblical patterns of alignment, and how a mantle of authority is passed from one generation to the next. **Barbara Yoder** declared the need to understand how change comes through adverse winds, and that the fresh wind is actually within the adverse

wind. Host pastor **Paul Zink** taught on how the political spirit and soul ties resist the government of God from being established. Our Friday night gathering was unforgettable as **Paul Wilbur** led us in celebrating Simchat Torah and rejoicing for the Word the LORD has given us. We danced all over the sanctuary as we followed the Torah (the Ark) into the next season. **Chuck Pierce** and **Peter Wagner** also team taught on the model and requirements for shifting from one administration to a new one. **Barbara Yoder** followed with a heart cry over how we must worship in a season of intense change and turmoil. **Paul Wilbur** then closed the gathering with an exhortation to seek the One who is to come.

Remember, you are a carrier of the God's Ark. In this season of apostolic realignment, allow His glory to be seen through you as you follow His Spirit in the season ahead!

Understanding the Dire Straits and Making it Through Your Narrow Place was an incredible Firstfruits Weekend Gathering where we focused on making it through the narrow place that would block us from advancing. During our time together, the Spirit of the Lord spoke very clearly regarding the "dire straits" we are to pass through. Robert Heidler began by teaching on **"Making It Through the Narrow Place"**. Chuck Pierce continued by sharing on **"Developing Your Testimony: Pass Through Your Dire Strait!"** Robert went on to share on **"How to Triumph in the Month of Av!"** as we celebrated the Hebraic blessing associated with this high point or low point month. On Sunday morning, Rabbi Jan Rosenberg taught on **"Don't Avoid God's Detour on Your Path!"** Finally, Robert Heidler and Chuck Pierce team taught on **"Dealing with the Flesh to Come into the Spirit!"**

You can make it through your narrow places ahead! Do not listen to carnal desires that would lead you on a destructive path or hinder you from moving forward. Rather, listen to God to gain understanding on your place of transition so you make it through your narrow place and into your enlarged boundaries of His blessing.

Leaving the Narrow Place to See the King in the Field was a unique Firstfruits Weekend Gathering where we focused on the Rosh Chodesh blessing for Elul, breaking the power of fragmentation, and celebrated Peter Wagner's 80th birthday. On Friday night, **Robert Heidler** shared how the Lord designed the Hebraic month of Elul as a time to meet Him in our **"field."** If we are willing to seek Him, He will show Himself strong in whatever circumstance we may be. Saturday morning was led by **Chuck D. Pierce** and focused on **"Breaking the Power of Fragmentation."** He shared how God has designed a cycle of life for each of us, and how the enemy longs to traumatize our development so portions of our soul are fragmented and never develop fully. Our morning concluded with questions on how to determine if one is fragmented, and a time of healing spirit, soul, and body.

On Sunday morning, **Dr. Peter Wagner** provided an incredible example of apostolic transference of authority as he set in John Kelly as his successor in the International Coalition of Apostles, and Chuck Pierce as the recipient of the inheritance of Global Harvest Ministries. In the second service, Peter went on to share various stories from his and Doris' life. Highlights from the "Birthday Bash" for Peter's 80th birthday are also included in this set. ***If you are longing to leave behind your wounds from the past season and move into the season ahead in wholeness, then this set will be a great encouragement to you!***
