An Update from Daniel and Amber Pierce

Monday, October 13, 2014

Dear Friends of Israel:

Our team is now home from our international assignment of ministering in England, Israel and India. What a blessing that Daniel and Amber could help me minister in India. They helped ignite the leadership in the Himalayan region of northeast India with a new joy and fire! Read their full report below. Also, I will be joining them in Jerusalem next month for another worship and prophetic release gathering. I hope many of you in Israel will be able to join us to receive a new wind of strength!

Blessings,
Chuck D. Pierce

Hi Everyone,

We just returned to Jerusalem from India with Chuck and the team! God blessed our socks off! We experienced so much grace, joy, excitement and fire! God has been so good! Our kids were able to do fun activities everyday while we were gone.

While in India, we visited the town of Siliguru where we were blessed to hear of the work God has been doing in the northeastern part of the country. Some of the pastors at the conference shared of how entire villages had accepted Jesus, with many creative miracles occurring through the region. We are grateful to Dad and Trevor and Sharon Baker for making us a part! God's hand is indeed at work in India and it is always an incredible privilege to be a part of what the Lord is doing in the nations.

Receiving a New Wind of Strength!

Moving forward, we are now looking to the next worship gathering that we will hold here in Jerusalem. We have gathered a team of worshippers here in the land that will work together with the team from Texas, to release a new sound. We are so excited that Dad is coming back! We believe that the generations are surely being blended and that much impartation and activation will take place as we continue to gather. **This event is available to anyone living in Israel as well as those of you who may be visiting on November 6th.** We will begin at 7 pm in the Pavilion. The address is 97 Jaffa Road, Jerusalem.

We are in the middle of Feast of Tabernacles! It's so fun to see all of the sukkahs lining our street! This is an amazing time to commune with the Lord here in Jerusalem.

Blessings
