***From East Malaysia, Borneo to Kuala Lumpur!  
Gideon: The Unlikely Hero!  
Doing Exploits for God!  
The Garden in Fall!***

Friday, October 19, 2012

*Dear Expectant Saints:*

Thank you so much for your prayers for our travel to Malaysia. We have completed our ministry on Borneo and are now in Kuala Lumpur where we will once again focus on stirring a new sound of worship in Malaysia. The meetings in Sibü on Thursday were amazing. James wrote a new song for Malaysia called "I Will Worship You!" The heavens opened as we sung this new song unto the Lord. New songs break old cycles!

***Pastor Hii was a wonderful host. Below is a picture of her translating for me, and another of the team with Pastor Hii (green shirt) and Elder Chris (blue shirt).***

*Below are other pictures showing the next generation rising up, and the Triumphant Reserve mobilized to loose a new sound of breakthrough.*

Today and tomorrow we are with Apostle Pillai at [Grace Assembly](#) for “*Apostolic Prophetic Insight on Activating God's Triumphant People.*” On Sunday we remain with Apostle Pillai to minister to the members of Grace Assembly. We depart that night and arrive back in Dallas on Monday afternoon. Please continue to pray for the release of revelation that will unlock a new sound of worship in the Triumphant Reserve of this nation. If you would like to give towards this ministry trip, you can donate online (click [HERE](#)), by calling **1 (888) 965-1099** or **1 (940) 382-7231**, or by sending a gift to **PO Box 1601, Denton TX 76202.**

### **A Focus on GIDEON this Sunday at the Global Spheres Center (October 21)**

I look forward to hearing how Holy Spirit moves this Sunday at our Celebration Service. **Robert Heidler** will once again help us focus on the significance of this Ayin Gimel year when he teaches on “**Gideon: The Unlikely Hero! Doing Exploits for God!**” Come with a heart to worship and expectancy for great things. If you cannot join the 9 AM service, the [webcast replay](#) will be available through Wednesday evening.

### **Take Time to Visit the Garden!**

We continue to receive incredible feedback from those who visit the Israel Prayer

Garden. Whether it's people who are discovering this oasis for the first time, or those who come regularly to quiet their soul and seek the Lord, this Garden is a testimony of our alignment with the God of Israel and His covenant land.

Don't miss Pam's latest [Beulah Acres Blog Update](#) so you can be refreshed as you enter the Garden. Click [HERE](#) to watch this short video.

Read Psalm 23 and declare the Lord leading you today in paths of righteousness that are restoring your soul.

### **A Time for the Chasm to Close!**

Don't forget about the prophetic revelation we have available at the Prophecy Center link on our home page. Take a few minutes to listen to recent videos and/or read prophetic releases. Last weekend we not only heard prophetically about the "bridge" that was forming to connect our past and future, but of how the Lord was closing the chasm that seemed to block our access to the promises of God. Take a few minutes to review the prophecy released by Barbara Wentroble and agree with the Lord as He declares:

*"I am closing the chasm! I am closing the separation! I am closing the division! I am closing and dealing and breaking the power of the false vision so that what I have promised becomes reality. And I say now it will manifest. I say no longer just looking, no longer just longing, no longer just desiring ... but I say it is a now time. It is a now season, it is a now demonstration and manifestation of that that your heart has longed for. I say come into a new place of joy, come into a new place of rejoicing. For I will not put it in front of you and say you cannot receive it. But I say now comes the manifestation of that that you have been promised!"*

[The Rewards of Simplicity](#) by Chuck D. and Pam Pierce

God has given us this book as a gift in a world of conflict, change and uncertainty! Pam Pierce's ability to communicate faith in a simple, clear way is amazing. *The Rewards of Simplicity* has the best of both worlds; Pam communicates faith and Chuck explains the warfare we go through internally in dealing with all of our issues. This book will give you practical ways to "bottom line" your life. Every business person should read this book! There are also many new insights concerning how the enemy uses our anxiety in an attempt to rule our lives and stop our destiny. *The Rewards of Simplicity* is one of the key books to read going into this season!

### [Menorah Pendant](#)

This custom-designed pendant was inspired by the Menorah in the Israel Prayer Garden at the Global Spheres Center. The Menorah in the Prayer Garden has one root going toward Israel and one root going toward the field of the Gentiles. This Menorah brings the two together as one. As you wear it, declare that you are aligning as the "One New Man." Sterling silver manufactured in Israel.
