*Dear New Beginners:*

***A TIME TO CATCH UP—END AND BEGIN!***

Last night's service was an incredible celebration of the Word! I loved our worship, the teaching by Robert, and how we observed "**Simchat Torah**" – *rejoicing in the Torah*. Traditionally, at this time the Jews would complete their reading of Deuteronomy, roll up the scroll that contained Genesis - Deuteronomy, and begin reading anew at the beginning of Genesis. **Last night was such a wonderful time of rejoicing in the closing of the "old" and the beginning of the "new" as we danced with the Torah and displayed our joy at the close of this Feast of Tabernacles.** If you were not able to join us last night, be sure to watch the webcast replay through Saturday night. Click [HERE](#) to watch it now. We want each of you to move forward into this New Year, 5772, with a new awareness and thanksgiving for God's living and active Word!

Another message you will want to hear is what I shared on Sunday morning: **Do I Have the Strength to Move in to Excess, Access and Breakthrough?** This will be available on replay through this evening. If you have not already watched that message, go to [www.gloryofzion.org](http://www.gloryofzion.org), select "Webcasts and Media" and then select the "[Replays](#)" tab at the top of the page.

**This Sunday at the Global Spheres Center (October 23, 2011)**

I hope that many of you will be able to join our Celebration Service at the Global Spheres Center this Sunday at 9 AM (CDT). **Keith Pierce** will be ministering on **Going Through the Gate and Meeting the Giant!** If you are not able to join us, you will be able to watch the webcast replay through Wednesday night.

**Youth and Young Adults! How to See God in the Movies! All of you on the Web can also Watch this Movie!**

We love to see how the Lord is raising up the next generation. This Sunday will be a fun one for our Youth. Those in Ignited will be having a picnic after the service near the Field of the Gentiles and Israel Prayer Garden. *Deborah Drake* has some great activities lined up for our Junior High students and their families.

Then for our Senior High and Young Adults, we will be starting a six week class this Sunday morning called "**Finding God in the Movies!**" *Joseph Pierce* is going to be leading this, and it will be a great way for our youth to learn what God is saying through media. Joseph shares, "*We*

*will view the movies in clips, and then we will discuss questions and give our thoughts to the revelation we see. The first movie we will cover is The Green Lantern, and we will watch it for 3 weeks. If you own the movie please feel free to watch it before Sunday morning. Those of you **on the web** please watch the movie and email your responses to the questions and any other revelation you get from the first half of the movie.”*

The discussion questions include:

- 1. Sinestro tells Hal that he dishonors the ring and its previous owner by wearing it. Yet Tomar-Re (the fish-headed GL) says that the ring never makes mistakes. Who do you think is right? Can they both be right?*
- 2. Which character(s) in The Green Lantern do you most look up to? Why?*
- 3. If an institution like the Green Lantern Corps really existed and included members of races all over the universe devoted to protecting the common good, what would that say about good and evil?*
- 4. What is a hero? Can a single heroic act make someone a hero? Or is more required? Is Hal Jordan a hero? If so, when—and why—does he become a hero? Is his heroism convincing? Why or why not? Carol Ferris tells Hal that she sees something special in him. What does she see?*

**Command the Morning ... Corporate Prayer to Begin on October 26 at 6 AM**

The Spirit of the Lord used corporate prayer from 6 PM to Midnight to get us to Head of the Year. However, I feel like we must switch into a new place of releasing revelation. Because the Lord spoke this to me, on Wednesday, October 26 at 6 AM we will have our first corporate prayer meeting. I will begin by leading us to command the morning. From there we will establish our new prayer thrust. I look forward to seeing many of you here onsite or by webcast as we resume corporate prayer on the 26<sup>th</sup>.

Blessings,

*Chuck D. Pierce*
