Dear Discerners of the Times and Seasons:

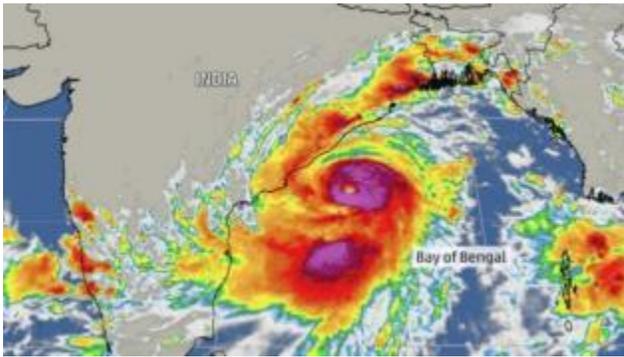

We are pressing into the Hebraic Year 5775, the year of *Ayin Hei*. This is a year of the whirlwind, and we have been receiving example after example of how the heavens are displaying this interaction in the atmosphere. During our Head of the Year 5775 Gathering in September, we showed several pictures from Alabama. After Kent and Bev Mattox returned home after ministering here, they encountered this whirlwind:

Whereas whirlwinds are not uncommon in Alabama, we received numerous other reports from locations where similar disturbances are very uncommon, if not unheard of. Below is a picture we received on October 11, from Tacoma, where there had not been a tornado warning since 1969. The waterspout started in Puget Sound, between Anderson Island and the towns of DuPont and Steilacoom. Then it reportedly touched land at DuPont near Fort Lewis. Both before and after this, the day was sunny.

We also shared with you the image of the typhoon that was headed towards the area we had been ministering at in northeast India earlier this month.

We also received numerous reports from Malaysia regarding how the heavens there are reflecting the significance of this year. Earlier this month we sent Allen Faubion to minister in Malaysia, and he can back and shared:

“Malaysia has very mild tropical weather. Never any earthquakes, never any typhoons or any other dangerous weather. However as we have crossed into 5775 there have already been two big whirlwinds that have garnered the attention of everyone. The most recent one happened on Tuesday (Oct 14). It is front-page news. The people are watching and seeing God bring forth manifestations of the revelation they have received.”

Elijah Loh had already written us and shared *“Malaysia geographically has no history of whirlwind or tornadoes so this is highly unusual.”*

Then one of Allen’s hosts in Malaysia, Apostle Michele Lau, sent a follow up report this Monday and shared:

“Remember we showed the video of the 2 whirlwinds when you (Allen) were here? The 1st was in Sabah & the Christians prayed it away in Jesus' name! That was so exciting to watch on video! Then within a few days, there was another whirlwind in Kedah, a West Malaysian rice-

producing state. 8 homes in a village were destroyed & 40 - 50 people left homeless & electric poles were pulled up & there was other damage.

Well, there was another whirlwind in Bintulu, a seaside port in Sarawak, a few days after you left! No damage was reported. So West Malaysia has had one, Sabah has had one & now Sarawak has had one! In the year of the whirlwind, Malaysia, which never has whirlwinds, has seen 3 whirlwinds in the month of Tishrei alone! God is sure doing some things in Malaysia!"

Earlier this week, we receive a picture from Rose Sambrook in Northern Ireland of a whirlwind in that region! Once again, this is very unusual for that region.

And earlier today we received two other amazing photos from this month:

This second photo was taken by taken by Karin, outside her home near Reno, Nevada. She shares, *“Extraordinary, considering the theme of this year! Peace to all in the eye of the storm!”*

The Lord is causing His voice to be heard in the earth, very clearly in this year. He is saying, *“Watch, for I Am pulling out of the skies that which you will see for your future. I will open the window of Heaven and send a whirlwind that will produce in the earth the treasures of Heaven. Stay right in the eye of the whirlwind, but create the anointing of the whirlwind, to take the enemy out!”*

Celebrating Firstfruits for Cheshvan ... the Month Associated with Manasseh!

This Sunday, we will once again be celebrating Firstfruits. Both **Robert Heidler** and I will be sharing during our 9 AM service. I look forward to imparting a new mantle of faith, and Robert will be teaching on **“Cheshvan: A Time for Judgment and a Time for Grace!”**

This new month of **Cheshvan** is a month reserved for the **anointing**. This is also the month linked with the tribe of **Manasseh**, the son of Joseph, born in Egypt, who helped his father forget the hardship of the past season. Below are some incredible pictures from the Tribe of Manasseh in the Israel Prayer Garden. If you are in the region, I would encourage you to find time this month to stop by and be refreshed, as you quiet yourself to hear His voice.

Blessings,
Chuck D. Pierce
