All of you on the Web, watch for this week's questions!

Command the Morning ... Corporate Prayer to Begin this Wednesday at 6 AM

We are entering a new season of the Watch! The Lord said, "***Command the Morning!***" Therefore, beginning this Wednesday at 6 AM, we will begin to use Job 38:1-14 as our guide. "*Then the Lord answered Job out of the whirlwind and said, 'Who is this that darkens counsel by words without knowledge? Gird up now your loins like a man, and I will demand of you, and you declare to Me. Where were you when I laid the foundation of the earth? Declare to Me, if you have and know understanding. Who determined the measures of the earth, if you know? Or who stretched the measuring line upon it? Upon what were the foundations of it fastened, or who laid its cornerstone, when the morning stars sang together and all the sons of God shouted for joy? Or who shut up the sea with doors when it broke forth and issued out of the womb? — When I made the clouds the garment of it, and thick darkness a swaddling band for it, and marked for it My appointed boundary and set bars and doors, and said, Thus far shall you come and no farther; and here shall your proud waves be stayed? **Have you commanded the morning since your days began and caused the dawn to know its place, So that [light] may get hold of the corners of the earth and shake the wickedness [of night] out of it?**'*" (AMP)

Time to Compost!

There are some who are called to help us connect Heaven and Earth, and others who are called to prepare the earth to come into its fullness. Take a few minutes to watch this fun video that Pam collaborated with John Dickson and our media team to develop. You will not be disappointed! Click [HERE](#) to see this Featured Video.

Iona Portal

Robert Heidler finished his first Science Fiction novel. This book is amazing, and is available as an e-book. Peter Wagner read Robert's book and shared:

Dear Robert:

I am sitting here in a state of absolute unbelief. I just finished Iona Portal on my Kindle—the first what I call “escape literature” that I can recall reading here at home as over against traveling on airplanes and in hotels. I could hardly put it down. I always knew that you were smart, but now I have learned that you are amazingly brilliant! In our next discernment of spirits gathering I want to probe how you ever got onto a rocket ship like this!

*Blessings,
Peter*

To purchase this for your Kindle, you can go Amazon.com or click [here](#). This e-book is also available on the Apple bookstore, and should be on the Barnes & Noble e-book store by next week.

*Blessings,
Chuck D. Pierce*
