

Barbara Wentroble Ministers Sunday! Your Vision is Being Evaluated!

October 26, 2012

Dear Freedom Fighters:

I will be in Michigan today through Sunday! Please pray!

Thank you again for all your prayers while we ministered in Malaysia. Our schedule was very demanding, and yet we saw incredible breakthroughs. Decrees have been made that will shift Malaysia as a nation, and new songs have been sung that will break old cycles! This seemed to be the beginning of a new move of the Spirit of God in the people of God throughout all of Malaysia!

Here are just two of the prophetic words that were released:

You will know in the night what the enemy will do in the day. Because of that, you will already have a plan of victory. I am anointing you to move in a way you have not come, and because of that you will be known in this land as those that marched in glory! This will be a year that you will come forth with a sound that will begin to shake all of Asia. This is the year that you will begin to wear an identity from heaven of God's worshiping saints. This is a year of the new sound coming into Malaysia. This is the year of new authority coming to God's people in Asia. And in Malaysia this is the year that a double portion anointing will rise up in the Body of Christ. I am releasing from Heaven the mantle of transition over this nation. And though the enemy would love to stop you from advancing, this will be a year that the authority of My people not only will they be tried but they will be come forth as gold filled with favor for the future. The apostolic prophetic anointing in this nation will now increase. I will bring you before even the pharaohs of the land, and you will have words that will change the course and freedom of the land.

Be Whole and Go Beyond Your Fear!

Don't forget about the prophetic revelation we have available at the Prophecy Center link on our home page. Take a few minutes to listen to recent videos and/or read prophetic releases. Last weekend we heard a call to overcome fears that would keep us from becoming whole and entering the fullness that the Lord has for each one of us. Take a few minutes to review the prophecy released by Barbara Wentroble and Keith Pierce and agree with the Lord as He declares:

"For did I not say come up here and I will show you those things that must be. There are some things that must be. You must be healed, you must be whole, you must come into who I created you to be. I say there are some things that must be. And I say they must be in this now season - not some day in the future. I say come up here. Do not look from the perspective where you have looked before. But if you will come up here I will show you not who you have been but who you will be in Me. I say come up here. I say take hold of you who I created to be -- not what the world has called you, not what you're emotions have called you. I say come up here and let Me show you from My perspective. For I say these are not things that should be or could be, but I say these are things that must be for this new season.

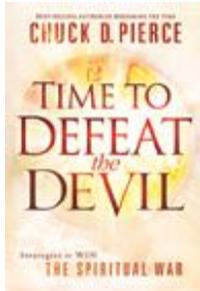

"And the Lord would say to you this day truly you have traded the threshing room floor for the wine press, but this is not what I designed it for. Yes, the giants are big but I am bigger. Today is the day to let go of your fears that I may bring you into your identity and lift you up out of what you have designed by your hands that I may redesign it by Mine. Yes, before you is a great giant but I AM a Great God I AM, I AM, I AM, I AM, I AM!! So look and blow with Me the wind of My desires because I am bringing you out of this to set you with that. Listen, My beloved, if you will come to Me, if you will only come to Me I will contend with your enemy's this very moment in My Holy Name."

Key Resources to Help You Walk in God's Timing!

[Time to Defeat the Devil](#) by Chuck D. Pierce

As we all know, times are changing, and there is an historic shift occurring in the church today. In the midst of this change the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our Risen Lord, Jesus Christ. The 20 chapters in this book will take you through a journey where you learn how to:

- break free from life's past seasons of trauma, grief and loss
- enter into a new level of freedom and victory
- Walk into the new season and times God has for you
- Understand and know the wiles of your enemy
- and understand what vexation is and how to break its grip

Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.

[Redeeming the Time](#) by *Chuck D. Pierce*

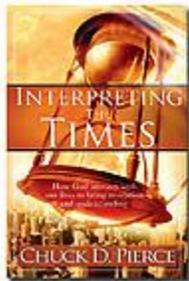

This is a year of redemption! One of the key books that will help you this year is ***Redeeming the Time***. If you have not already read this book, you will want to make it a priority. This book helps you answer the difficult question of how to get back in sync with God when you realize

you missed a window of opportunity. This is an amazing principle to understand. When one window closes, the Lord has a divine plan to reposition another time and another place for you to enter His blessings. How many times do we wish we could go back in time to undo or redo something? Although the Lord doesn't take us back in time, He has the ability to bring our past "into" our future so that we have a second opportunity to choose and get back in His perfect timing. *Redeeming the Time* will help you recognize God's timing in your life and determine if you are in step or out of step with God's plans and purposes. This book will also help you align yourself with God's perfect timing system, and reap rewards of a life spent in step with our Father. There is also a chapter that will help you understand the Triumphant Reserve that is emerging from state to state.

[Interpreting the Times](#) by Chuck D. Pierce

This book carries the message of what I represent in the Body of Christ: the Issachar Anointing. Interpreting the Times will give you an idea of what it takes to make it through narrow transitions. If ever we needed to understand GOD in our time and space, it is NOW! This book will move you to understand the "process of time" that may presently be controlling you, into seeing your way into a place of future victory!
