

The Storm!

The Morning Watch and Reordering Your Day!

Monday, October 29, 2012

Dear Warriors:

We continue to pray for those on the East Coast as Hurricane Sandy is set to make landfall. As I wrote you on Saturday night, John and Sheryl Price (two of our apostolic leaders in New Jersey) have been watching over the prophetic word that I released in Basking Ridge, New Jersey on June 8, 2012. I shared,

“God is going to give us power over the next storm in this area. There will be a storm on the coast, and the Lord says I am going to give you power. You are going to see My power working. Now I am here to say again, New Jersey, Newark, Rehoboth Beach in Delaware, Hartford area in CT and all the way to Yale – God is going to move in an unprecedented way – now get ready! The power of God has come into the atmosphere. This power is going to surprise you in a way that you have not been surprised. Some of you are saying how does this affect me? Well, some of you are going to wake up in the Presence of the Lord, and He is going to say I am waiting for you. He’s going to stand there and you are going to be arrested by HIS SPIRIT. God’s people are coming under a supernatural power and favor in this region.” **I had previously prophesied that Atlantic City would go under water! Therefore, John and Sheryl went there several times.** Both Cindy Jacobs and I participated in meetings in Atlantic City to prepare the people and ask the Lord for an awakening anointing to come to our nation.

The Morning Watch! I have always sensed that this storm was linked with the upcoming Presidential election. Also, when the Lord released that word, I knew there would come a time when we would need to pray during the Morning Watch (the 4th Watch) for seven days. Today at 3 AM, Anne Tate had a group meet in the Prayer Tower to begin praying for the Lord’s purposes in this storm. They began with Psalm 93: *“The floods have risen up, O LORD. The floods have roared like thunder; the floods have lifted their pounding waves. But mightier than the violent raging of the seas, mightier than the breakers on the shore – the Lord above is mightier than these!”*

In addition to praying for protection from those in Hurricane Sandy’s path, we also want to pray for the Lord’s purposes to be accomplished through what these winds may rearrange. Declare that as the natural winds begin to sweep through the northeast, that the move of Holy Spirit would manifest with even greater power. I look forward to leading prayer tomorrow (Tuesday) morning. Although the other days of the watch will not be recorded and webcast, tomorrow morning we will offer our Morning Watch as a live webcast at 3 AM (as well as webcast replay). I hope many of you can join us. This will serve as our Tuesday Morning Prayer gathering, and we will not meet again at 6 AM.

Other leaders will be present on Wednesday, Thursday and Friday mornings at 3 AM. On Saturday and Sunday mornings you can pray in your homes during this prayer watch. If you are not able to join us onsite in the Prayer Tower this Tuesday – Friday, you can pray in your home during the Morning Watch any time from 3 – 6 AM. If you are from other regions or nations, you can also join us during the 3 – 6 AM watch in your time zone and agree for the power of God to change your atmosphere, as well.

Deliverance for a Nation!

I hope many of you were able to join our Celebration Service at the Global Spheres Center yesterday. Barbara Wentroble shared on “Deliverance for a Nation!” If you were not able to join us, the [webcast replay](#) will be available through Wednesday evening. This coming Sunday, Robert Heidler will be ministering.

Blessings,

Chuck D. Pierce

Reordering Your Day ... Available as an E-Book!

So many of you have asked how to get copies of ***Reordering Your Day: Understanding and Embracing the Four Prayer Watches!*** This book has been our textbook for learning about the four night watches: Evening (6:00 - 9:00 PM), Midnight (9:00 PM - Midnight), Breaking of a Day/Cockcrowning (Midnight - 3:00 AM), and Morning (3:00 - 6:00 AM). This book was written to help so many understand why they are being called at certain times of the night to pray. The Lord is restoring the watches of the night so we can see things we have never seen before!

Although we no longer have this book available for purchase as a hard copy, we have been able to release it as an E-book. To purchase this for your Kindle, you can go Amazon.com or click [HERE](#).
