***Mobilizing the Triumphant Reserve!
This Sunday: Returning to Faithfulness!
Call to Prayer from Dutch Sheets!***

Friday, November 11, 2011

Dear Triumphant Mobilizers:

Chuck is presently traveling to Wichita, Kansas for **11-11-11: Wichita ... Point of Access** hosted by Sandy Newman and DeeAnn Ward. He will be joining Dutch Sheets and other leaders there. Several months ago, the Lord spoke to Chuck and Dutch separately to mobilize the Triumphant Reserve from state to state, and to begin in Kansas on 11-11-11. Both feel a great urgency to rally, gather and release the army of God in each state. Today will mark the initiation of this call for the Triumphant Reserve to be mobilized in a new way, with the potential to change our nation. Please be praying for this gathering in Wichita, as well as for the other key 11-11-11 gatherings that are being hosted across our nation today. See below for the Call to Prayer Dutch just sent out.

Later this weekend Chuck will be in San Antonio for a regional gathering coordinated by William Fury and co-hosted by City of Refuge and Jubilee Outreach. On Monday afternoon, he and Chad fly on to Miami where Dr. Mark Chironna has invited Chuck to be a guest on TBN for a prophetic roundtable that evening. That show is scheduled to air on TBN on Monday night at 9 PM CST (check local listings for times and availability). Please pray for a clear release of revelation that will help the Body move forward and understand the times we are living in.

Watchman Alert—Call to Prayer!

Like few others, Dutch Sheets carries an incredible burden for this nation. Please read Dutch's Call to Prayer and join us in interceding for God's protection over the United States at this key time.

November 9, 2011

I'm writing to make you aware of several warnings I've received recently concerning terrorist attacks against America, and to ask you to join me in praying for protection from these attacks. Within the last few months I have had several credible dreams presented to me about this, *five of which have been within the last week*. While warnings such as these are subjective in nature, and dreams always need careful discernment and interpretation, I feel that the dramatic and sudden increase of these warnings merits this call to prayer.

I don't feel it is necessary to give details from the dreams—suffice it to say that the attacks seen were worse than 9/11. For some time many of us have felt that more terrorism was possible for America. One need not be particularly prophetic to know this is planned by our enemies—indeed, our government warns us of this and encourages regular vigilance, and plots have on occasion been discovered and thwarted. But many intercessors and prophets have felt that something on a bigger scale is being planned and stands the chance of succeeding. This is what the recent dreams warn of, and the sense is that it could be imminent.

I'm asking you to join me—for the next few days especially, but also over the next few weeks—in interceding for God's protection over our nation. Yes, we as a nation have sinned against the Lord in many ways, and perhaps if we receive what we deserve it would be further judgment. But that is to be determined by the Lord and it is always appropriate to ask Him for His mercy.

- Pray that plots be exposed and the individuals involved be discovered and captured.
- Pray for the success of our law enforcement and protection agencies.
- Pray for sound leads to come to them and for the necessary wisdom to “connect the dots.”
- Ask God to forgive and cleanse us of our wicked ways, and continue to pray that America receives a third great awakening.

Let's all do our part to ward off any and every attempt to bring violence and destruction to our land. Please help spread the word by forwarding this message about these warnings and the call to prayer. Thank you for joining me in this watchman alert. ***Dutch Sheets***
