

***Return to the Word or Following the Honey Bee
Past Landmines!
Raise the Standard!
Hit the Mark!***

Tuesday, November 12, 2013

Dear "Bee" Followers:

Sunday's service was unique. The worship, prophecies, teaching and exhortation from the Lord provided a clear message of how important this week is. When Robert approached me with his research on bees being used to uncover landmines, I knew the Lord was saying the bees were a lesson for us in this *Ayin Dalet "Bee" Year*. If you were not able to watch the entire service, then I would strongly encourage you to listen to the [webcast replay](#) this week. Allow the Lord to cause you to ascend and see from a new way so that you gain wisdom and you break out of confining thought processes.

This Week: Allow the Proverbs to Direct Your Heart and Steps!

As I shared on Sunday, I want each of us to read from the book of Proverbs this week. For some, this will be a new discipline to read Proverbs daily, and for others, it will be a welcome opportunity to hear the Lord speak to you in a new way. Each day I would encourage you to read a chapter from Proverbs and then send us a short email with the verse that is speaking to you, and what the Lord is saying to you in that verse. Our staff will read every email that is sent to us and praying for the Lord to set your path in a new order. Let the "honey" of the Word direct you and cause you to know when to turn to the left, to the right, and when to stop and move forward.

Raise the Standard! Hit the Mark!

This is the month of Kislev, and the month associated with the Tribe of Benjamin ... the most gifted with the art of the bow! On Sunday morning, the Lord began to stir the importance of raising a standard as well as fixing our focus to hit the mark. Allow this word from the Lord to fix your gaze this week:

*"You are entering into a time when the enemy will come in like a flood, and you are relying upon the same weapons that you've used in past seasons. This is a month of Me shooting arrows and striking the enemy. **When the enemy comes in like a flood, you must allow a new standard to arise, for you are worshipping in last week's standard. Let a new standard rise up! Let something in you that has not been sharpened, be sharpened. Let something arise in you from Me, where you've not known Me in the past. I am more creative than you are, and I can move things into place in you in ways that you can't. Allow Me to raise up a new standard within you!***

For I have targets that you have not seen, and you are a target in days ahead. So be creative over how to hit the mark that I'm telling you to hit. And when you can't hit the mark, find a

way to hit the mark! For this is a month to sharpen you and cause your identity to arise. Know that the enemy has marked you, so be sharpened, and on the offensive, so that when the enemy comes in, My standard is raised up! Your vision hasn't been clear so you could target the enemy. For the enemy has made you double minded in the past. But now I'm causing you to see the mark ahead. Choose to be sharpened, so you hit the bull's eye and cause the enemy to fall!"
