

## **Keith Pierce and Deborah DeGar this Sunday! Stare Eye to Eye Until Your Enemy Retreats!**

Friday, November 12, 2010

*Dear Focused Friends:*

We are hearing so many reports from those of you who watched Wednesday night's continued teaching on *The Rewards of Simplicity*. Pam and I taught on "**From Faith to Focus!**" This is the first of the classes we will begin offering from the **Center for Advancement**. For those of you who watch or attend all three sessions, we will provide a complimentary certificate of completion. In January, we will begin offering a Center for Advancement class each month that focuses on a specific area or need for that time frame. I am very excited about what we will be able to offer – as the classes will be greatly varied in their approach and subject matter. This month's class we are offering as a Firstfruits blessing to each of you – and you can watch without charge. The future classes will have a registration fee associated with them. If you were unable to watch the class on Wednesday night, you can still watch the [webcast replay](#) through next Tuesday night. Further below is a powerful prophetic word that came forward on Wednesday night during our corporate "Breaking of the Hebraic Day" prayer watch.

### **This Sunday at Glory of Zion (October 31, 2010)**

Join us at 8:00 AM with the Power of Lift Service and then move into embracing the Word, experiencing His power, and seeing His demonstration. During the first service, **Deborah DeGar** will minister on "**New Administration! New Tongues!**" I don't know of another person that ministers as powerfully with the gift of tongues and in building up her inner man than Deborah. Her gift and ministry will certainly stir up the Spirit of God! At 10:15 AM we continue with our "Power of Use" Service with more worship. Then **Keith Pierce** will minister on "**Grab Your Arrows and Keep Striking!**" If you are looking for a touch from the Lord, you will not want to miss these services!

### **Stare Eye to Eye until Your Enemy Retreats!**

Psalm 110 says, "*The LORD said to my Lord, 'Sit at My right hand, till I make Your enemies Your footstool.' The LORD shall send the rod of Your strength out of Zion. Rule in the midst of Your enemies!*" The Lord says, "*There is a victory coming through the Holy Spirit. Do not move out of your position with Me during the next several days. Stay positioned with Me. From that place of victory you will rule. For I will give you a scepter to rule over your enemies, and your enemies will not rule over you. I am bringing RULE with Me.*

*"Where the enemy told you, 'The Lord doesn't reign,' I say that I am seating you in heavenly places with Christ Jesus so that you can see where you reign through Him. Open your eyes and come up higher. You have been at too low of a level. I am opening the gates of encouragement. Look around you and see who is having trouble standing, and release encouragement to them! When one of the Body suffers, the whole Body suffers. When one prospers, the whole Body prospers."*

**Chris Hardy loses a vision:** I saw battery cables. Somebody's battery was down, and you got a jolt to go just a bit further. When you took that battery cable off, the car started and the lights came on and everything began to move, and the tires began to roll. You went a little bit further and a little further because of the jolt that was received in the name of the Lord. Somebody does not know how to get jump started tomorrow. You are anxious over how you are going to get moving. The Lord says, *"Rest in Me and you will be jumpstarted tomorrow; you will be going down the road I intended you to be on. Watch Me jumpstart all of your processes tomorrow so you begin to move forward at a different pace than what you did today."*

I then saw us going up and moving forward, but the way was guarded by wolves. All of a sudden, I heard the Lord say, ***"Stare eye to eye. Stare eye to eye. For those wolves have growled and pushed you back down from the place that you have gotten to in the past. But I say you must stare eye to eye! Focus in for once on your enemy. And as you focus in on your enemy, say, 'Retreat back to the lair or the den that you have come from. Retreat! Retreat! Retreat!' Stand still and watch as your voice has taken authority over the wolf and that ravenous thing that has been eating away at you. Say, 'Retreat, lie and be still, for I will proceed in the Lord.'"***

*"Discouraging notes have been sounding around you. And they have had a melodious sound that has attempted to lull you in to closing your eyes against what is the way on your path. This is a time of awakening. The notes are changing. Your eyes are opening. You are not afraid to say, 'Back up!' You are not afraid to say, 'Retreat!' You don't have to totally annihilate the enemy; you just tell the ravenous portion of the enemy's plan that has been after you to retreat since you are going to a higher place to see. Say, 'Retreat ENEMY!'"*

John Dickson sang:

*Arise, arise and put on new strength.*

*Arise, oh mighty warrior.*

*Arise, arise and put on new strength, and run to the battle line!*

*For I have given strength and power to those little stones in your hand.*

*Oh, the giants are falling, mighty warrior,*

*The giants are falling today.*

*For I have put a mighty message in your voice.*

*A sound is arising, a sound is coming.*

*A sound is arising in you. Let it break forth.*

*Let it pierce the night. Let it bring the dawn to bare.*

*Arise, oh mighty warrior.*

*Arise with your stone in your sling.*

*I have put a new song within you to sing.*

Amber Pierce prophesied: *"The light is the healing. The darkness is that spirit of infirmity that keeps you from moving forward. Every time you feel like you get to a point where you feel you are going to come up another level, that spirit of infirmity takes you out. But the light is burning that infirmity out of you. That light is the healing that will cause you to come up over that next level. Let your light spring forth. Let your light spring forth! Let the healing break as the day. Let it spring forth with the dawn. By noonday I can break through in this situation that you are*

*in. And you can have peace and a direction. Let the light break forth and your healing spring forth like the new day light that will be there tomorrow.”*

The Spirit continued to stir and declare, *“You cannot be afraid to face the wolf at the door. Don’t let the fear paralyze you. When you get in fear and get paralyzed, sometimes somebody has to come and get you. **Whatever is swarming around you that thinks you are dead ... you tell it that you are not dead! Tell the vultures you are not dead and that they have to move on! Say, “Vultures, I am not the meal you thought I was going to be!”***

### **Positioned for Advancement!**

I loved this past weekend as we were **Positioned for Advancement! This will be recognized as one of the most foundational gatherings we have ever hosted.** One of the pieces of our armor is the Breastplate of Righteousness. By understanding timing and the redemptive quality of the 12 tribes, you understand your breastplate. You are the righteousness of God in Christ Jesus. However, you have to know how to be righteous. Our understanding of the significance of redemptive gathering and timing has grown greatly since we first taught on the significance of the tribes and months nearly five years ago in the Issachar School. **If you were unable to join us, you will want to order the CD or DVD set so you can:**

- ***Embrace the Significance of Rosh Chodesh and Firstfruits*** (Robert Heidler)
- ***Discover the Power of Alignment in Seed Time and Harvest*** (Robert Heidler)
- ***Move from Blessing to Blessing – Month to Month – Until Blessing Overtakes You!*** (Chuck D. Pierce)
- ***Understand the Order and Function of the Tribes*** (Linda Heidler)
- ***Learn the Significance of Redemptive Prophecy and How it Applies to You Personally and Corporately*** (Chuck D. Pierce)
- ***Celebrate the Blessings of the Hebraic Month of Kislev*** (Chuck D. Pierce and Paul Wilbur)
- ***Train Your Hands for War so you Overcome the Strategies that Oppose your Advancement*** (Chuck D. Pierce)
- ***Allow the Vinedresser to Prune You for Greater Life in the Vine*** (Chris Hayward)

You will want to have this teaching in your library to listen over and over, as well as share with your friends and home groups. Through November 20, we have the sets available for the discounted price of \$40 for CDs (regularly \$50) and \$55 for DVDs (regularly \$65). You can purchase them [online](#) or by calling 1-888-965-1099 or 1-940-382-7231.

### **Two Encouraging Testimonies**

We so appreciate the testimonies and encouraging reports you send us. Below are two testimonies that I believe will encourage you. We are so grateful for how the Lord is using the revelation He is releasing through this ministry to bring life and life abundant!

“I want you to know how much we appreciate your obedience to God. Because of your obedience to say what needed to be said about the Catholic Church, my parents’ eyes were finally opened. Praise God! We also want you to know how very grateful we are that you webcast so much of what is going on at GOZ. A huge thank you for not always charging for

special things like Wednesday night's teaching on simplicity. May God's greatest blessings be yours!!”  
Janet W.

And here is another from Jill S.:

“Dear Chuck: I was at home with my grandbaby on Sunday morning and tuned into the service by the web. During second service (after I had put my grandbaby down for their nap) the anointing got so strong that I was just sitting in my chair weeping as the Lord was taking me through a little journey and visiting some of the dreams and scriptures that He had brought forth over the past two years. He then began to speak to me again about the new administration and I got out my bible and began to read through the 12th chapter of each book in the new testament from Matthew through to Revelation. Oh my goodness!!!

This is just a little bit of the revelation that I believe I have received from that moment: The Lord has been taking us through a preparation time much like that of a baby in the womb being developed and at that proper time when that baby has fully formed it is then birthed. I believe that what we are experiencing is this process. it's the development of that "baby", "the new administration" in us, individually and corporately. We are going through a process of being born again. It's as if we are now in the place of feeling the contractions which will continue to intensify and grow closer together until May. With each of these contractions comes more cleansing, healing, & deliverance. I believe that by May 2011 this intense process will be complete and the new administration will then come forth in full form and function. The church will arise out of this with a wholeness like never before, with a new identity that cannot be stopped, that cannot be shaken, as she will be one with Her Lord and He will be one with her. She will walk in a wholeness as never before. Glory of Zion being what we are as forerunners are coming into that and being used by the Lord to spearhead this now. I feel very blessed and also very overwhelmed to be a part of such a time and place in the Lord as this.

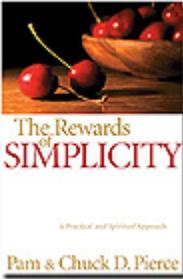

I had a dream a few months ago also that seems timely...The dream starts off where I'm running and I can see the Lord, but, it seems like He is way far off at first. But I keep running and then all of a sudden I see the back of the Lord right in front of me and I literally run INTO Him. At that very moment we become ONE and from there we run together completely united as ONE. It was the most incredible feeling that I've ever experienced in my entire life! The next morning when I awoke I felt so settled, strengthened, and refreshed!”

Blessings,  
*Chuck D. Pierce*
