

A Time to Dance! A Time to Worship! A Time to Shift! A Time to Watch and War!

Thursday, November 13, 2014

Dear Worshippers:

A Time to Dance! Here is a video of Brian Kooiman! Yes, quiet, curt, focused Brian, the one who helps run the ministry. He and Lori attended Elaine Priestly's birthday party this past weekend. He knows the times! The thing we must remember is that there is a **"Time to Dance!"** Find your time in this season. Click [HERE](#) to experience a real joy!

A Time to Worship!

There are times when we worship and find that Heaven and Earth blend together in a divine symphony. There are other times when Holy Spirit breaks into our gatherings in such a way that we cannot but help hear and know the mood and message of Heaven. Sunday morning was one of these occasions when Holy Spirit broke in to make sure we had the option to shake things loose and move beyond any familiar structure. When the power went out and the Tabernacle went dark, that was the time for our praise and worship to go beyond! What resulted was an open window where the revelation of heaven began to shower down. Soon, the sounds of the nations were being activated and our worship ascended to another level. If you were not able to join us, then you will want to set aside time to watch the webcast replay this week. Our Spanish worship will be just a taste of what to expect this weekend at Convergencia Hispana.

One of the best messages I have ever heard happened Sunday! You will want to hear Robert Heidler's teaching on **"Understanding the Season of Ayin so you Choose the Blessing or Cursing Cycle!"** Don't miss your opportunity to align with God's time clock and embrace His cycle of blessing. Remaining in the Eye of the Storm in a Whirlwind Year!

Last week when I was in Israel, I received an email from Jacqueline Varnedoe. She and her husband, Heeth, have been dear friends for many years. Many of you have received copies of the books that Jacqueline has written. She actually has one that is coming out later this year, *Open the Door to My Presence*. Shortly before Head of the Year, she had a dream: *"I was driving down the highway - alone in my car. As I looked in the distance the sky was the blackest that I have ever seen - except in another dream several years ago. There was a state patrolman on the side of the road and I thought to myself, 'He is going to make me turn around.' However, to my surprise he let me continue down the highway. Then suddenly I was caught up in the midst of the deep darkness - like being in the middle of a tornado. I went around and around, but I felt no fear. I was filled with great peace knowing that whatever happened, I was in His hands. Then I woke up.*

*After seeking the Lord, I think there were several things that He was speaking to me through the dream - one being that **even in the midst of the whirlwind I will be secure in His Presence**. The key is continuing to seek His face and walk in obedience to what He is calling me to do. It is not business as usual!"*

A Time to Shift! From Trenton, New Jersey!

Early this morning I received an email from John and Sheryl Price. In addition to rallying the Triumphant Reserve in New Jersey and their region, they also travel with me on many of my international trips. They shared with their mailing list: "We who are aligned here in New Jersey have had an interesting journey together these past 18 years. Time and time again, God has moved in miraculous ways showing us how His power and authority are released through fervent intercession. Just a few days after the recent election, John was listening to a national news program and the commentator said, 'What we saw in this election was an unexpected influence come out of Trenton, NJ.' Immediately we were reminded of the gathering we held in Trenton in October 2013, in the Wyndham Hotel Ballroom, with Chuck Pierce. Those of you who were there with us will remember that the Spirit of the Lord came into the room in a powerful way. At that time, we began to sing the song of the Lord:

"I see the chariot of the Lord, I feel the fire on my face, I see the chariot of the Lord coming into this place. Come Lord, come Lord, come!" As this was being sung, the electric power suddenly went out in the hotel! We found out later the power went out across a large part of the state! Many governmental agencies reported this power outage!

Chuck Pierce stood up as the power came back on and declared, *"There is a shift in power that has come tonight to this nation from New Jersey. That means out of New Jersey, the run to govern this nation will come. There is in shift in power in the heavens tonight. Decree the SHIFT!! A shift of power has just taken place!"* He went on to prophesy, *"You better find out every root of covenant that is in this nation and start calling forth the promise from it into the atmosphere and start decreeing how this nation and God's covenant plan in this nation, in the state (New Jersey), will change the whole course of this nation. The Lord says, I have chosen this state as a One New Man State, Jew and Gentile. I am going to start falling on the Jewish people in this state."*

Then, this past August, almost a year later in Trenton, we gathered again to pray for our nation with Chuck Pierce and Dutch Sheets. As we were praying together, lightning struck an evergreen tree, going down through its roots to an adjacent evergreen tree, exploding both of them!

This took place in the Colonial Revival Garden of Morven, the historical home of Richard Stockton, one of NJ's signers of the Declaration of Independence. Signs and wonders during both of these meetings in Trenton! God was speaking to us that He had heard our cry and the roots had begun to be cut for the shifting of this nation!!!! We believe the shift has begun!

Because of the fulfillment of many of these prophetic words, the Lord has spoken to us that we should now gather in THANKFULNESS with communion for what we have just seen with our eyes and heard with our ears. In obedience we will do so. Please join us the Sunday evening before Thanksgiving for this special, statewide service. Our special guest will be Prophet Bill Yount. This will be on Sunday, November 23, at 6 PM at the Holiday Inn Ballroom in Manahawkin, NJ. Register for free by emailing hmf@comcast.net
