A Triumphant Reserve is arising through the earth today! ***The Hebrews living in Egypt for over 400 years emerged as the first Triumphant Reserve.*** Exodus 6:26 says, “Bring out the children of Israel from the land of Egypt according to their armies.” Even in a war season, *God’s army* has different rules by which we must play. They must understand time, timing, and God-given missions that lead to triumph.

Time produces champions. To *triumph* means “to celebrate and rejoice with victory and jubilation.” Triumph indicates that an advantage has been gained over the enemy. Success has been granted through a supernatural grace that has been released.

The Lord designed time with a built-in blessing for us to claim and walk in. As you identify your tribe and divinely align in time with God’s calendar, you will discover how to find your position in God’s Kingdom, how to war effectively for your inheritance, and then walk in His blessings.

A Time to Advance: Understanding the Significance of the Hebrew Tribes and Months will help you understand how God, from the past, develops His whole conquering army for today. You will also understand

how each part moves together, and the redemptive quality of God's covenant plan for Israel. This will help ground you on how we are grafted into a movement in days ahead.

As you learn how to think like God thinks and study the Hebrew tribes and months you will receive prophetic understanding of how the Lord orders your steps throughout the year. You will also see your place in God's next Triumphant Reserve that is rising in the Earth today. Participating in *Firstfruits* giving and celebrating Rosh Chodesh on a monthly basis allows you to appropriate His promised blessings. By doing what His Word and His Spirit tell you to do, giving Him the sacrifice of worship, and staying in the glory of His presence no matter what is happening in your circumstances, you will be rightly aligned and positioned for advancement in His time!

Blessings,

Chuck D. Pierce
