

Prayer Update from Daniel, Amber and Lily Pierce!

November 16, 2011

Dear Friends of Israel:

Thank you for praying for Daniel, Amber and Lily. They have completed their time of prayer along the southern border of Israel, and are now traveling to pray along the northern border. You will enjoy reading their update and seeing their pictures. Their journey has been eye-opening, and helping them pray with new insight. Remember, this is the Hebraic Year 5772, the year of Ayin (70) Bet (2). One of the main words beginning with the letter Bet is the word for "House." Another word beginning with Bet is "Apple of the eye." This means that "the eyes of the Lord are on the House of Israel because Israel is the Apple of His eye." May all of us have fresh vision to see the Apple of God's eye and how to pray for all those how live in land of Israel.

Blessings,
Chuck D. Pierce

Shalom Everyone,

As we write this letter we are driving out of the southernmost part of Israel, Eilat. I think this may be one of the only places in the world where you can see four borders from one place. From our balcony we had Jordan 3 miles to our left, Saudi Arabia just 12 miles across the way, and Egypt about 3 miles over. There is is the Red Sea. Just over the Egyptian border is Sinai. Somewhere close to here over that border is where Moses brought the children of Israel out of Egypt and into the Promised Land.

Daniel and I have had several prayer times together here. We started our time in Eilat by worshiping together as a family on our balcony. We just happened to drive into this part of Israel not knowing that we were in a series of High Holy days of Islam. The day on which we came happened to be the Islamic version of Yom Kippur. So the land was filled with Muslims from all over the world. Our hotel reservation was lost and we got very close to needing to sleep in the car. Finally we found one room and took each day as it came.

As we were in prayer last night, Daniel asked the Lord to restore the relationship between the descendants of Abraham so that the promise may be fully restored. We also prayed that our brothers from the house of Ishmael would come into a relationship with Yeshua and be reconciled through salvation. We prayed that there can be peace from the sons of Isaac and

Ishmael, for they were once a family and God created all of us and wants all of us to be saved. As we prayed on the day of 11/11/11 we decreed that all of Israel shall be saved, that the One true God of Israel would be worshipped and honored fully, and that all would come to know Jesus and know that He is the One true God! We prayed that believers would come into a love for the Muslim people that causes them to turn from their hatred. Pictured below are the nearby borders.

Our trip began in Be'er Sheva, which is where the well of Abraham is. I found a picture of Chuck from when we all visited there together last October. That was when the Lord was speaking to us about moving to Israel permanently.

We arrived in Be'er Sheva on Sunday evening and had prayer and worship with Avner and Rachael Boskey's group. They invited us to spend several hours visiting and eating in their home. That evening we spent time with a wonderful Russian family. The picture below is of Lily and her new found friend.

They did not speak the same language so it was funny to watch them disagree over what things are called. We stayed with a family who has to go to their bomb shelter once a month because of the rocket fire from Gaza. The children were not able to go to school and the whole town had to shut down for three days just two weeks ago. Always pray for the safety of the people there! After two days there Avner directed us Down South to Mezpite Ramon. There is a giant crater there! It's known as the Grand Canyon of Israel! Breathtaking!

Traveling through the southern part of Israel has been an experience that I couldn't compare to anything else. The Negev and the Paran Desserts are larger than life! We also saw several rows of tanks as we were driving down. This is a visual reminder that we are definitely at war.

The next leg of our trip will be north along Israel's eastern border with Jordan. We will be stopping for a couple of days at the Dead Sea before heading through Jerusalem and back west to Tel Aviv. Isaiah 40 was impressed upon us as we traveled the whole Southern region of Israel and this is how we prayed. *"Comfort, Comfort my people, says your God. Speak tenderly to*

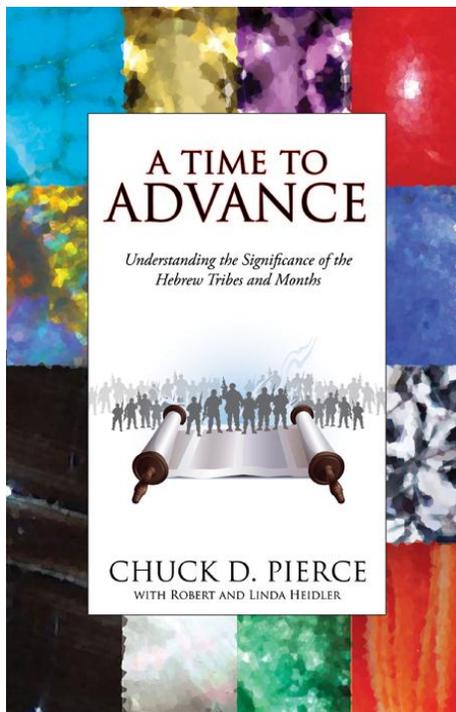

Jerusalem, and proclaim to her that her hard service has been completed, that her sin has been paid for, that she has received from the Lord's hand double for her sins. A voice of one calling in the desert prepare the way for the Lord make straight in the wilderness a highway for our God. Every valley shall be raised up, every mountain and hill made low; the rough ground shall become level, the rugged places a plain. And the Glory of the Lord will be revealed, and all mankind together will see it. For the mouth of the Lord has spoken!"
