

Continuing to Move Forward into the New! Tonight at 6 PM: The Book of Hebrews - Jesus and the Angels!

Wednesday, November 2, 2016

Dear Advancing Ones:

As we look at the world around us, we can see so much that is vying to hold us captive to an old season or way of doing things. Mistrust and fear are weapons the enemy uses to keep us from advancing in unsettling times. But God! This is a day when we can choose to face off past enemies. Whereas they are from the last season, we are from the NEW! Day by day we can walk into the new and learn to overcome. To help you advance, I encourage you to watch my teaching from Sunday morning on “**Moving Forward into the New!**” You will also want to see the [replay](#) from the early service when *Genet Beeftu* ministered on “**Beware of Being Borrowed!**” Both of these messages will help you develop a transformed mindset to overcome and triumph.

Standing Amidst the Shaking!

When uncertainty and change seem to overwhelm us, we must remember the one who knows the end from the beginning. The Spirit of God is saying, “*This is a time of great change and upheaval. Amidst the shaking, remember that I am the One that cannot be shaken! I will move under you to position you for your future. The order and understanding from last season will not be enough to steady you. As your foundation changes, I will shift your stance. I am sending in revelation that will cause you to stand in a new way. Many will ask, ‘Lord, how can I stand in the midst of this rubble?’ Just know that out of the rubble around you I will rebuild what you need to stand on!*”

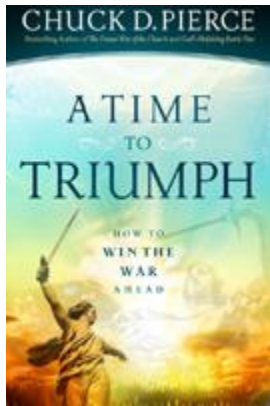

A Study of Hebrews Continues Tonight at 6 PM!

This evening we resume our intercessory and revelatory thrust focused on the book of **HEBREWS**. This is a key book for understanding how to cross over into a new expression of Kingdom authority. We will meet in the Tabernacle at **6 PM** for *prophetic intercession and worship*, and continue at **7 PM** with **teaching** from Hebrews. *Robert Heidler* will be sharing on “**The Book of Hebrews: Jesus and the Angels!**” I hope many of you can press forward in this new study. If you arrive early, there will be snacks and a light dinner for purchase in the Arbor.

Blessings,
Chuck D. Pierce

Begin to Think in a New Way! This is Your Time to Triumph!

With the world around us changing so rapidly, we must perceive how to process the war ahead. *A Time to Triumph* will help you understand the concept of war Christians face and why we must fight. I truly do not know of another book that presents warfare as kingdoms in conflict, and how we can overcome as a triumphant people.
