Dear Turn-Around Saints:

Many of you have written about Sunday's Celebration and the teaching on **"Tell Them that 'I AM!'"** The worship was powerful, and we could feel the atmosphere shifting as if the Lord was preparing us for Passover. There was a mingling of His Blood and Glory. This opened the way for the message the Lord gave me on knowing Him as "I AM!" However, as I shared, I AM is not only a name of the LORD, but also a part of our how we see ourselves and who He is calling us to be. When we say to the Lord, "Here I am," He can then say, "Here I AM. Let Me show you who you are and what you were destined to be!" I would encourage you to listen to the [webcast replay](#) this week and gain a better understanding of who you are called to be.

Invite the Lord to Change Your Atmosphere! He is Ready to Shake all that can be Shaken!

During worship on Sunday, there was a strong prophetic anointing. Barbara Wentroble joined me in prophesying:

"If you will invite Me down this week then I will enter your atmosphere and change that which you've been trying to change. I have power and strength to overcome, and if you will invite Me in, you will overcome this week and deliverance will come to you!"

"For I AM a God who is shaking everything that can be shaken. This is a season you shall shake; you shall see Me shake everything that would hold back My coming Glory. I shall shake the gainsayers; I shall shake the mockers, and I shall shake those that would oppose and stand against this that I have prepared for this season. Watch Me begin to shake that which seemed unshakeable, in days past."

"For this is a turn-around season. I'm getting ready to turn around some things that would not turn. I'm getting ready to turn the vault on the door that would not open. Watch Me turn the bolt and open the door, and watch Me shake the unshakeable. Watch Me release that which I have said in days past - that the Glory of this latter house would be greater than the Glory of the former. As I shake and as I open, I Am releasing a new dimension of My Glory!"

Lighting the Lampstand in Houston!

Thank you for praying for our gathering on the campus of Texas Southern University. That was our fourth campus meeting in Houston, and was a blowout! Below are just a few pictures from our time there. Declare that Houston will break out with joy all week long! Also, pray for my time in San Diego this coming weekend when I minister at [The Sound of Judah Arising!](#)
