Dear Dreaming Saints:

I have heard so many comments on Robert's message from Sunday morning on **"What Can I Do for You? Gaining the Mindset to Multiply!"** In this year of the camels coming, we need to understand that God desires to prosper us! Robert's teaching is one that you will not want to miss! Make plans to watch this [webcast replay](#) through this evening.

During worship, I heard the Lord begin to say, *"This is going to be a time where you thought you were lagging and did not have the strength to compete. But this will be a time where you finish strong in the next week. **Next week you will find yourself energized; you'll find yourself moving in something you've not moved in.** You'll find yourself going down paths you've never gone down before. Today, Heaven is coming into your atmosphere and you will be energized to accomplish what you couldn't accomplish earlier on this particular month!"*

After this, I asked Phillip Martin to share what he saw early on Sunday morning:

This morning when I woke up there was a descending glory cloud and it was enfolded with lightning and thunder and all manner of fire demonstrations. And the Lord said, *"Focus on My Glory for this season."* And as I focused on the Glory cloud the Lord began to say, *"It is time for My people to dream again ... to dream of their destiny, to dream of the turning of the nations, to dream of the dreams that begin to move the heart of the King from disobedience to obedience that establishes a right order in the earth, where it can align with the Glory cloud. Because the Glory cloud of this season is going to change the atmospheric structures and open Heaven in a way we have never seen it open before. It is a time to get our alignment with our dreams and our destiny in order so we can stand vertical in the season and the dispensations of the Glory. For this Glory is not like the previous Glory - this Glory demands an alignment of Heaven and earth so all that is prepared can be released and revealed."*

I know that many felt defeated in various ways in the past season. I hear the Lord saying, ***"Dream again! That which you will experience in the next three months will be greater than what you experienced in the last season. Some of you have seen dreams scattered, but now I'm putting together a puzzle and I'm going to cause you to see something for your life that is greater than what you saw early on. Even though your puzzle was mixed up and the picture and vision of your destiny was stopped, dream again, and I will drop from Heaven, piece by piece, what is necessary for you to put together your future!"***

As I shared on Sunday morning, I want to encourage each of you to read the book of Luke these next few weeks.

A Time of Cleansing: Flooding in Rome!

During our Pentecost Celebration at the Global Spheres Center in May, the Lord had me a unique word about flooding in Rome. The Spirit of God said, *“There will be an unusual flood that goes through Rome. **When you see this flood know that I am cleansing the Church from its straying way.** When Rome floods I will wash My people in a new way and they will rise up out of their legalistic shift that they took many years ago. They will come into a new power as first. **When the flood comes through Rome, Antiochs all over the earth will rise again.** I have shaken the mindset of the last seasons. Greece is a picture of the shaking. But now Rome and its accumulation will begin to be cleansed. As Rome is cleansed, you will see a healing sweep throughout the Catholic people. That wineskin that has captured generation after generation will no longer be able to hold its captives.”*

Earlier this month we received reports (and even pictures) of the flooding that swept through portions of that city. On Wednesday, November 14, [Reuters](#) News Service stated, *“ROME One of Rome's most historic bridges was closed on Wednesday, as the swollen Tiber River roared through the capital and flooded outlying neighbourhoods. The Tiber's muddied waters rose to fill some of the supporting arches of the Ponte Milvio, or Milvian Bridge, threatening to engulf a pedestrian walkway and submerging trees. The bridge, whose current version dates to 1850, marks the spot of a previous bridge where in 312 the emperor Constantine defeated his rival Maxentius in one of the most pivotal battles of ancient Roman history.”*

The two pictures below were sent to us by Matthias in Italy and reflect the level of flooding that occurred. Thank the Lord for the level of cleansing He is bringing ... a cleansing that will sweep all the way back to the foundations of the Church corrupted by Constantine. Declare that the Antiochs will now arise!

Kingdom Force Institute ... The Days Are Evil: Redeeming the Times!

I loved our recent Kingdom Force Institute class on “**The Days are Evil: Redeeming the Time!**” Ephesians 5:15-16 formed the foundation for this class: “*See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil.*” Our time together offered incredible insight on how to not only break out of areas of captivity, but gain back what you thought was lost forever. Each of these sessions stirred our faith and helped us understand ...

- **The Power of Redemption: Overcoming the Strategies of the Waster!** (*Chuck Pierce*)
- **Understanding the Enemy that Wars Against Your Redemption!** (*Chuck Pierce*)
- **What it Means to Redeem the Time!** (*Robert Heidler*)
- **A Redemptive Study of Joseph: God Meant it for Good!** (*Robert Heidler*)

- **Celebrating the Hebraic Month of Kislev: The Month of Benjamin!** (*Chuck Pierce and Robert Heidler*)
- **How Will You Answer the Lord?** (*Chuck Pierce*)

My prayer for each of us is that we learn to redeem our time and enter into the fullness of God’s plan for our lives today! You can purchase a CD or DVD set for \$30 (regularly \$40).

Remember, all of our classes in the Kingdom Force Institute are certified. **If you have completed watching the sessions for *The Days are Evil: Redeeming the Time* and would like to register your completion of this class, you can now do so by clicking [HERE](#).**
