

Much Progress! Keep Moving from Grief to Glory!

Wednesday, November 30, 2011

Dear Momentum Builders:

I hope that many of you were able to join us on Sunday morning for our Celebration Service. I always love to see the waters of baptism stir and to hear the testimony of salvation from those who choose to enter a new dimension of their Christian walk. And I always value how Holy Spirit meets us so uniquely when we choose to express our worship to a Holy God. Sharon Stone's message on transformation was a tipping point! The Spirit of God began to move powerfully and we entered a powerful time of declaration and anointing. If you were not able to join us, you will want to watch the [webcast replay](#) that will be available through tonight.

This has been a busy week here at the Global Spheres Center. We are nearly completed with our administrative offices, and this Sunday our children will move into the Nursery and Zion Kidz areas. The Staff, led by Linus Vaughn and Allen Faubion have been over the paint crew getting both the offices and the Children's area ready. John Squier, Penny Pierce and Kelly Knight have been leading the construction end. Brian Lohse, Isaac Pierce, and the Garden Team will start the process to establish the ***Festival of Lights*** in the Israel Prayer Garden later this month! We will be doing an evangelistic blitz during "Holiday on the Square" in Denton this Friday night. John Dickson and team will be performing Center Stage.

Tomorrow I will be flying to Arizona to join David Herzog in Sedona for ***The Festival of Lights Conference***. I will be ministering on Thursday night and Friday morning. This will be a wonderful gathering that many of you in the region may want to join. Go to www.thegloryzone.org or call 888 384-5679 for more information.

We Sorrow with those that are Sorrowful

This ministry is a ministry of celebration. However, we must remember that in the midst of celebrating the Lord, bad things happen to God's people. The real test comes in how we overcome in the midst of our trials and adverse circumstances. I like to put it this way: ***We are a people that are constantly moving from grief to glory!***

This past Thanksgiving night, Anne Tate, our Apostle of Prayer, found out that her son, Matthew Lee, had died and entered eternity with the Lord. They had celebrated a wonderful Thanksgiving together. When she and Don got back home to Texas from Arkansas, they received the phone call. Matthew was a wonderful young man, who had lots of struggles, but had trusted the Lord to bring him into a new place with Him. Matthew was born on November 24 and died as he entered his 41st year of life on November 24. Approximately three months prior, we were in a

service and the Lord spoke very loudly and said to me, Anne and Linda that “*Anne’s son will walk with Me in glory.*” Of course, we were hoping that Matthew’s next 40 years would have been vibrant here in the earth realm, but God already knew where Matthew was to reside. We who know the Lord will see Matthew in eternity in the fullness of God’s glory.

The memorial service is today. Pray for Anne and Don Tate, his stepfather. Janice Swinney has been with them in Arkansas the whole time. In lieu of flowers, Anne has asked for all memorial gifts to be made to Global Spheres Center and designated for Youth Development. You can mail a gift to Glory of Zion, PO Box 1601, Denton TX 76202, call our office at 1-888-965-1099 or give [online](#) and designate your gift to the GSC as “Youth Development”.

Concerning High Risk Investments

I am asked many times about high risk investments. Right now there is much “stirring” over the Iraqi Dinar and its reevaluation. When you invest in a high risk investment, you must be willing to let go of what you are expending for your investment. You cannot put a time limitation on a high risk investment. Where some of those investments do pay off, others never produce. Therefore, if you invest in a high risk investment it must be monies that you have not set aside for other use. You must not invest money that you need to use to pay your obligations. Also, you must be willing to invest and let go. Therefore, each person must evaluate very carefully their financial condition before they invest in a high risk investment.

As a ministry, we do not tell people when or what to invest in. I do remember prophesying in 1994 about gold. At that time gold was about \$380 an ounce. In January 2002, I was in Ann Arbor and saw the Body of Christ riding a bull. This was a gold bull. I knew that gold would go up and down, but I also knew that if you could ride the bull (a bull ride is eight seconds) that gold could increase as much as 8 times. Since 2002 gold has gone from \$250-\$280 to \$1,747 (as of today). The prophet’s role is to declare what they see. A prophet’s role is not to tell people how to take that revelation and use it. In other words, I would not tell people that they needed to invest in gold, but I did say that gold could go up as much as 8 times – the 8 seconds that it takes to successfully ride a bull.

I would hope each one of you would increase in the many areas that God is calling you to get involved in. However, I would say be wise as a serpent, and more wise than the world.

Rebuilding the WatchWall in New York

The Lord is establishing us in new ways! These past few months we have seen the Lord order our steps to develop a watch in Brooklyn. As you know, my daughter, Rebekah, and her husband, Nathan, moved there earlier this year. As Allen Faubion shares below, this set us on a new course. ***If you are in the greater NYC area or New Jersey, we want to invite you to join these monthly gatherings in Brooklyn.*** The first meeting will be on **Saturday, December 17, at 4:00 PM.** ***John and Sheryl Price***, our apostolic leaders in the New Jersey area, will be leading in worship and helping to establish these gatherings. Periodically, all of us will be coming up to minister in the area. They found a wonderful location at the Dumbo Spot (160 Water St., ground floor, Brooklyn, NY 11201). For more information write Sheryl Price at [njgza\[at\]comcast.net](mailto:njgza[at]comcast.net).

When we helped our children and grandson move to Brooklyn in mid-July, I had no expectation that the Holy Spirit was preparing to unlock and open something significant beyond the needs of our family. The first indication came when we held a gathering at Sean and Tina Moran's home in the Bronx. A wonderful group gathered from all around the greater NYC area. The Spirit's presence was so powerful and the group's connection was so vibrant I knew from that point on Holy Spirit was not finished. As we visited with John and Sheryl Price in New Jersey I remarked to them my impressions. They wholeheartedly concurred and shared revelation they had received that pointed to a prophetic post in NYC. The more we shared the more we realized Brooklyn was where God was pointing.

On our last Sunday in Brooklyn, Mindy, our grandson Sam, and I took a harbor cruised from the Hudson River around the southern tip of Manhattan and back up the east side of Manhattan. As our boat approached the Brooklyn Bridge I noticed a large span of buildings with the giant words "Watchman" and "Watchtower" emblazoned across them. In a moment the revelation light went on. I remembered how in the 1890's the Jehovah's Witnesses established their "Watchtower Bible and Tract Society" in Brooklyn at the gate of this important port of entry. Later as I "googled" more about Brooklyn I realized that for many decades Brooklyn was the home of many of the major leaders and figures of our country's greatest industries, institutions, and endeavors. I was stunned by what I found. The Lord wanted me to see that this important gateway in Brooklyn, a gateway of greatness, had long been captured by an occult strategy to establish a watchtower and wall of darkness at a place God had created to be a watchtower of light. I could clearly hear the Lord declare His desire and intent for us to establish this Watchtower and Wall of Light now.

As I began to inquire about possible meeting places, my first call went to the building where my son works. It happens to be located right in the midst of the area the Jehovah's Witnesses are now vacating. It is no mistake that we will be gathering just prior to the days of Hanukkah, the festival of Lights/Dedication. God has prepared the time and place for His righteous watchtower and wall to be set in place.

Firstfruits Replay for Kislev! Still Available!

I know that many of you have gatherings in your homes to watch the Webcast Only Firstfruits Celebration for the Hebraic month of **Kislev**. This was a special gathering that you will not want to miss – so invite your family or friends to join you for this special service. I shared how I see the Lord moving us forward at this time, as well as sharing the blessings associated with this Hebraic Month of **Kislev**. Robert Heidler taught on **Kislev** as the “**month of dreams**” and how this is a time to receive key revelation during the night. And, of course, there was great worship led by John Dickson and the GZI Worship Team! Be sure to find your time to enter in! This replay will be available through December 21.
