

***The Next Move of Holy Spirit Has Begun!
Firstfruits Celebration for Kislev!
Be Renewed and Revived with Webcast Replays!***

Monday, November 4, 2013

Dear Celebrating Saints:

What an incredible weekend of being renewed and revived! I had great anticipation for how the Lord would meet us, but these expectations were surpassed! We could sense that a door of heavenly access had been opened. As Robert Heidler shared during his message on the history of revival, ***“The next move of Holy Spirit has begun!”***

I am grateful for each of you who joined us at the Global Spheres Center, as well as by webcast, throughout our weekend. From the outset, we could sense that the atmosphere had shifted and Holy Spirit was present to meet us in a new way. Our sessions on Friday by ***Robert Heidler, Alemu Beeftu*** and ***Venner Alston*** laid the foundation for understanding our spirit man and how Holy Spirit renews and revives us. Then beginning on Friday night with ***Dutch Sheets*** and continuing through Saturday with Robert Heidler and ***Obii Pax-Harry***, we pressed into unlocking a spirit of awakening. Our Firstfruits Celebration on Saturday night for the Hebraic month of Kislev was filled with rejoicing, and Sunday morning’s close with Venner Alston charging us to be awakened and united for reformation and transformation! Here are two pictures that capture a dimension of our weekend ... an appeal to heaven (note the open door display below) as well as a time to cry out for the release of miracles.

Firstfruits Celebration - Don't Miss Entering into the Blessings of Kislev!

When we offer the Lord our first and best in finances and time, we acknowledge He is the source of every blessing, and allow Him to sanctify all of our finances and time (Rom. 11:16). That is why I want to make our Firstfruits replay available through November 30, so we can enter into the fullness of the Rosh Chodesh blessing of Kislev.

As Robert elaborated, this is the first time since Thanksgiving was introduced as a national holiday in the United States that Hanukkah and Thanksgiving fall on the same day. This will not happen again until 79,811, so this convergence of two holidays is significant! We must understand Hanukkah and how the "oil" of the Lord's anointing did not run out. Robert's message will explain this more fully, so be sure to take the time to watch it. Then declare this will be a month for your light to shine in the darkness! Allow Holy Spirit to anoint you in a new way, so the oil of His anointing burns brightly in you! Don't miss your opportunity to enter into the celebration of this season.

Free Webcast Replay to Help You Be Renewed and Revived!

I do not take lightly how Holy Spirit met us this past weekend. We have been praying and preparing for a new move of Holy Spirit at the Global Spheres Center. Therefore, I want to replay all of the sessions so you have an opportunity to enter in and be renewed and revived. I encourage you to invite friends and family to join you and invite Holy Spirit to touch you in a powerful new way.

As I mentioned above, **Robert Heidler's session on the moves of Holy Spirit throughout history was foundational.** This is a time to declare that "The next move of Holy Spirit has begun!" *Therefore, we want to offer that replay several times since it is something that needs to get deep down inside of us.* Therefore, we will begin with that session tomorrow, and then replay it two other times.
