

Detecting the Landmines on the Path Ahead! A Season of Celebration and Thanksgiving!

Friday, November 8, 2013

Dear Advancing Saints:

I am back from ministering in Browning, Montana on the Blackfeet Reservation for a Native Ministers Leadership Meeting with Apostle Jay Swallow and Roy Wolf Tail. Getting here was a long journey, but the presence of God moved powerfully! There were sovereign encounters that only the Lord could have orchestrated. The meeting is still continuing in Browning, so keep praying for our Host Peoples to be renewed and revived by Holy Spirit! Below are pictures of our team entering the reservation (the first with Anne Tate, Rebekah Faubion and Raven Vincent) and the second with James Vincent. The third picture is of Richard and Vicki Aznoe, faithful webcasters from Montana who were also attending the gathering.

I hope many of you are taking advantage of the webcast replays from our Weekend to Be Renewed and Revived! The Holy Spirit is moving in a new way, and I want to see all of you a part of this movement! You can also watch the replay from Wednesday's KFI class when Marty Cassidy ministered focused on how the next move of Holy Spirit is here, and what convergence means in this new movement. Let's continue to declare the next move of Holy Spirit has begun!

This Sunday at the Global Spheres Center

After last weekend's breakthrough, we are moving forward with great expectation to this Sunday morning's Celebration Service at 9 AM (CST). **Robert Heidler** will be teaching on "**The Year of the Bee: Detecting the Landmines on the Path Ahead!**" In a year to taste and see the sweetness of the Lord's Word, we want to receive the caution, as well as reward, in keeping that Word. If you are not able to join us, the webcast replay will be available through next Saturday.
