

Special Night to Celebrate THE PROMISE! The Path to Freedom!
Saturday, December 18!

Come and join us tonight as we celebrate the JOURNEY to see YOUR PROMISE manifest!

Tonight we will have a special gathering at 7:00 PM when we ***Celebrate the Promise***, featuring Aaron and Tiffany Smith. Their new CD, [The Promise – Volume 1](#), was received yesterday. This music project is the one to have as we close one year and begin the next! ***The Promise***, by *Aaron and Tiffany Smith* and including *Sam Dickson* and *Strategy of Launch* is an incredible compilation of new sounds that will produce freedom in your heart and strength in your soul to continue your journey forward in a world of chaotic change.

THE TIMING IS PERFECT! THE PROMISE project coincides with where most of us are presently living!

In a time when we celebrate **THE PROMISE** of the Christ Child, this CD will stir your faith in a wonderful way. Don't miss this as we gather to celebrate the birth of the Christ Child. If you are unable to join us tonight, we will offer this special service as a webcast replay on December 24 and 25.

There will only be one morning service tomorrow (Sunday) morning, beginning around 8:30 AM and ending by 10:30 AM.

We will have *John Dickson, Aaron & Tiffany Smith, LeAnn Squier, James Vincent* and *Shatece McLeod* working with me to bring the message in word

and song. Tomorrow morning we will also have our children's ministry performing two GRACE specials.

The Promise

The Promise - Volume One is the culmination of almost four years of studio work. Joined by Aaron's longtime friend and musical confidant Sam Dickson, and producer Justin Rana, this CD is the compilation of a journey that has taken this team into marriages, through miscarriages, a studio move, and even a broken bone or two. The album consists of ten songs that, in one way or another, reflect on a wide range of emotions, experiences, and exhortations that Aaron and Tiffany wish to convey to their audience.

*As **Executive Producer** of this project, I see that in a season of crisis, where young and old alike are attempting to find meaning and direction, a word of wisdom and direction comes forth to guide us: **"Every PROMISE, the greatest, the smallest, is risked if we do not protect it!"** Aaron and Tiffany have captured "the moment and sound" in this incredible new CD, **"THE PROMISE!"** When a generation is releasing a desperate cry for meaning and a glimpse into the future, God has intervened with this new sound! Listen, hear, and be directed into a new place of vision as you strive to stand firm in the world around you. This compilation of music, word, and wisdom will touch every generation that is seeking to hear and know the way into the better portion that still lies ahead on their horizon!*

Aaron recently spoke about what the album means to him:

"The Promise"** is very much about what we have been entrusted with, what we are to be held accountable for...and our "walking out" process through it all. In the title track of the album I write **"Steps set in deserts awaken a thirst like a faith unrehearsed pleads just a little further"**...I think a promise is just that - something that you're given, that you're blessed with, but something that you must be determined to hold on to and fight for...just a little further. The whole idea of the project is summed up in last line of the chorus of that same song - which says **"I will not let you go."

The album will be officially released to iTunes on December 21, but the physical CDs are now available!

Songs include:

- **Ready to Go**
