

***White Christmas!
Hope is Born!
The Heavens Declare the Glory LOUDLY!***

December 21, 2012

Dear Hope-filled friends:

We have really enjoyed sending you some wonderful special music to worship with during this season. Our final special is by Isaac Pierce. This includes both an old song, "White Christmas," and a new song sung by Isaac, "Hope is Born," written by Tracey Liggett and composed by Justin Rana. This will be a treasure for this season. As you meditate on the words and lyrics of these songs, I believe the Lord will open up and show you certain emotions from the past year that you need to embrace or disperse.

On the recording of "White Christmas", the Lord impressed me to prophesy. The Lord started speaking to me about snow and its healing and cleansing effect. Click [HERE](#) to listen to both songs as well as the prophetic word the Lord gave me about a white Christmas.
