

Crossing Over! Give - A Memorial Gift to End and Begin!

December 29, 2011

Dear Saints who are Crossing Over:

This is an exciting week. Today we finished getting our new administrative offices established. Earlier this month our Nursery and Zion Kidz areas were established. What a big push! We have also given the Lord the Garden and restored the place for a new prayer thrust to go forth. Just today, we asked the Lord for a new, apostolic mantle to fall on the intercessory prayer thrust that will not only restore the revival anointing that came out of Wales at the beginning of the 1900s, but unlock and lead us into the fullness of things that have never been established in any season.

We have been stretched financially. I have attempted to wisely invest every dollar that you have sent. When you come here, you will be amazed at what the Lord has done. We've taken all the excess and pushed it into the new. We have moved from excess, to access, and now we are ready to cross over.

We need your help to help us finish this year strong. The only thing we were unable to do this week was make payroll. We were able to pay our mortgage and do what we need to do. But we were unable to pay those who have served so faithfully. However, I have not even seen one person blink at this. They have put their hand to the plow and not turned back. As you give, we will finish strong, and we will start establishing Phase 3 for our future. I feel like what we are walking here corporately is what we are all walking, personally. We keep going from victory, to victory, to victory. As I walk through the Global Spheres Center and see the places that we have restored, I can hear the Lord say, *"Faith works in time and space. You have looked at what has been desolate, seen through My eyes, and now you are restoring it to the way I see from heaven."* I declare that over your life also.

Today you can help us greatly by making a donation. Enter into this weekend with us for the revelation from Crossing Over into the New Day. Festival of Lights and Hanukkah and Christmas Candlelight Service!

I loved our Festival of Lights in the Israel Prayer and Gentile Gardens. Over 2,000 from the community joined us for the lights, music, snacks, drinks and activities for the children. If you were not able to join us, we still have the lights on in the Gardens each night this week. You can also watch the highlights video that is posted on our website. Just click [HERE](#) to watch this short video. Through the end of the week, you can also watch the [webcast replay](#) of our **Hanukkah and Christmas Candlelight Service**. This was a special time of worship, communion and celebration when we celebrated the Light of the World!
