

Happy Kislev! Embrace the Joy of Firstfruits in this Month to Enter Your True Identity!

Monday, December 5, 2016

Dear Celebrating Ones:

I am always grateful when we have the opportunity to honor the LORD with our worship and giving. Yesterday's Firstfruits gathering for the month of Kislev was an off-the-charts celebration of bringing our "First and Best" to the Lord! The sound and movement of our worship went to a new level of expression, as we continued to press corporately into the Hebraic year 5777. The faith that was stirred in the first service exploded in the second with the Presence and Word of the Lord that met us so richly.

By understanding Benjamin, the tribe associated with this month, you will better grasp how to embrace your identity. Just as the tribe of Benjamin needed to overcome, to enter come their prophesied destiny, this is a month we can rise up in new ways. This is our time to move beyond limiting circumstances and old habit patterns that are tying each of us to old ways of thinking. Watch Robert Heidler's teaching on "**The Month of Kislev: A Time to Enter Your True Identity!**", and enter into the joy of this month to SHINE in a new way.

We pray over every gift that we receive, and want to see you enter into the fullness of the blessings the Lord would choose to release at this time. *If you would still like to give a Firstfruits offering for Kislev, you can donate [online](#), by calling our office at 1-888-965-1099 or 1-940-382-7231, or by postal mailing your donation to Glory of Zion, PO Box 1601, Denton TX 76202.*

Strategic Watching: Removing Occult Resistance!

You will also want to watch the [webcast replay](#) from our early service when Allen Faubion began sharing on shredding the veil of the occult. Particularly in a season in which we celebrate the LIGHT, we want to understand how divine revelation allows us to SEE clearly. Receiving revelation allows us to begin on a path of faith and tears off the occult veil which covers over our understanding. Since we did not want to rush Allen's teaching, he only shared the first portion of "**Strategic Watching: Removing Occult Resistance!**" Next Sunday at 8:00 AM, I look forward to him sharing the second step in shredding the veil of the occult.

Pressing Through These 10 Critical Days of Intercession, Warfare and Worship!

When we walked into the Tabernacle yesterday, the presence of God was so tangible. I am grateful for each of you who has found your time(s) to enter into these watches. As I shared on Saturday night, we are pressing across a threshold in the spiritual realm where "resistance is futile" and the enemy cannot block what Holy Spirit is initiating. We have two remaining watches:

Tuesday at 6 PM

Wednesday at **6 PM** (*schedule change*)

Note this schedule change for Wednesday to watch at 6 PM (rather than at 7 AM). This will allow more of you to attend our final watch, as well as stay for the teaching on Hebrews at 7 PM. Let's remain very focused these last two days of intercession and worship so we continue to advance in these critical times. If you were not able to watch today's webcast (or were cut off prior to completion), this watch is now available by [replay](#).

Blessings,

Chuck D. Pierce
