***Join Us this Weekend to Understand A New
Administration and Enter into Firstfruits!
Key Prophecy: Leap Forward!
An Army Arising!***

Wednesday, February 1, 2012

Dear Praying Friends:

I am on the plane to Las Vegas. No down time the first 32 days of this year. Thank you so much for praying for our time in Belfast. This was the most powerful time that we have experienced there since 2002 when the Celtic Wildfire Conference was held. I was grateful to be back at the Global Spheres Center on Sunday morning and enter into how the Holy Spirit directed our service. If you were not able to join the worship or hear Robert Heidler's teaching on "**From Recovery to Advancement**", you can watch the [webcast replay](#) through tonight. The prophecy below will encourage you. ***Remember this is our Firstfruits weekend, so there will be no Thursday night gathering.***

Don't Miss The Center for Advancement this Weekend on "***A New Administration: Understanding God's Government Today!***" **Join Us this Weekend at Global Spheres Center or on the web to understand this season's NEW ADMINISTRATION and FIRSTFRUITS!** *Many people do not understand God's government and order for this season.* One of the key concepts is how the Lord is establishing His government and administration in the HOUSE. This Friday night and Saturday, Robert Heidler and I will be teaching a new Center for Advancement class on "***A New Administration: Understanding God's Government Today!***" There will be no charge to join us onsite or by webcast for this class which begins at 7 PM on Friday evening and continues on Saturday morning at 9 AM. The class should conclude by around 4 PM. I really do not know anyone who teaches on this any better than Robert.

SHEVAT BLESSING SATURDAY NIGHT! On Saturday night at 7 PM, we will have our ***Firstfruits Celebration for Shevat.*** Make plans to join us as we shout "Blessings are on my way!" I will be leading us in this service!

NO Thursday Night Corporate Prayer and Receiving Power to Build and Advance Since we will be hosting a Firstfruits Weekend with a Center for Advancement Class as well as our monthly Rosh Chodesh/Firstfruits Celebration, we will NOT have any meetings tomorrow (Thursday) night. Therefore, there will NOT be corporate prayer or our Receiving Power to Build and Advance service. However, please make plans to join us next week Thursday evening (February 9) for our **International Glory Gathering** where Alemu Beftu will be ministering at 7 PM. This is our monthly gathering to develop an international fellowship.

LEAP FORWARD! AN ARMY ARISING! Stress is Being Removed-Praise will Lead you Forth! (Chuck Pierce, Anne Tate, and Keith Pierce)

We are in a season of warfare. Remember, in this week of warfare we are giving thanks three times each day (morning, noon and night) so that Lord Sabaoth can release the Hosts of Heaven to war on our behalf. Allow praise to prepare your new pathway! The prophetic word that came forward on Sunday morning was:

*“I have a new way for you to leap over that which has been in front of you, a new way for you to go over and into that next phase that I have called you into. I have a new way. I have a new horse for you to ride. It is not the horse of the flesh but the ruling white horse of My Spirit. **Get ready to mount up, for I have an army that is not confused.** I have an army that I am mobilizing. I have a team of warriors that will now win the war! I am releasing royal horses of war, royal horses that have been prepared for the day of battle. They are made of My invisible, invincible power which is holiness. If you will mount up on My royal war horses you will move with power and distinction. You will be audacious in the victories you will win as I blow My wind over you.*

*“Today is a day that I am opening the heavens in a new way to heal and prepare My people for war, that they may arise and come on the power of My horse that I sent. I have come this day to heal the adrenal glands in this body. I have come this day to balance out the chemicals inside the thyroid. I have come this day to remove the panic that has laid and embraced in the soul because I am releasing from an oppressing connection and I am tying it to My Spirit this hour. **I am REMOVING STRESS that would weaken you as you go forth for Me in days ahead.***

*“**Praise Me seven days to be released from the anxiety and stress that have held you captive!** Seven days of praise this week - morning, noon and night. Seven days of praise! For I am shifting you and setting your boat upright. These next seven days I am going to give you revelation over blood flow and strokes. I am going to heal how you got bruised in last season. I am going to remove reproaches off of you that have been hanging on to you. I’m going to do a new thing in you.*

“Submit and go the right way. Don’t lean on your own understanding. Walk with Me through and I will stand, protect you and justify the route I have asked you to take.”

Prophetic Song by John Dickson, LeAnn Squier, Michelle Hadley, Josh Black, Shara Collins, and James Vincent

I’m mounting up now.

I’m ready to ride.

Beautiful, invisible, invincible, glorious, audacious,

What a beautiful horse in war.

How beautiful are these horses in battle.

How glorious the army of the Lord.

We are unquenchable, indestructible, full of the voice of God.

You are glorious, so beautiful.

*Your splendor fills the place.
Magnificent in Your beauty
Magnificent in Your glory
Magnificent in Your holy place
Lord of Hosts,
You are victorious.
You are a conqueror.
You've taken me off the mountain.
You've shown me the land.
You've sent swift horses.
I said, "Here I am."
So make ready, make ready, it's time to war.
So make ready, make ready, it's time to roar.
Do you know who your deliverer really is?
Do you know who sits on the throne?
Do you know who rolled that stone away?
Do you really know?
Do you know who defeated death?
Do you know who holds the stars in His hand?*

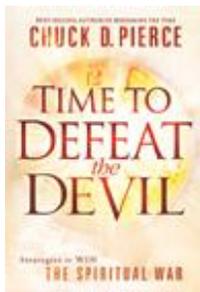

Update on Doris Wagner

Just a short note of thanks from both Doris and Peter Wagner for your prayers for Doris' knee surgery. She was able to come home last Friday, and has not struggled with great pain. Please continue to pray for her knee to "mend" and that the surgical incision will heal completely.

Blessings,
Chuck D. Pierce

Key Resources to Help You Overcome Trauma and Stress

[Time to Defeat the Devil](#) by *Chuck D. Pierce*

As we all know, times are changing, and there is a historic shift occurring in the church today. In the midst of this change the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and

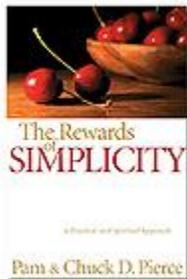

embrace the authority and power we have been given through our Risen Lord, Jesus Christ. The 20 chapters in this book will take you through a journey where you learn how to:

- break free from life's past seasons of trauma, grief and loss
- enter into a new level of freedom and victory
- walk into the new season and time God has for you
- understand and know the wiles of your enemy
- and understand what vexation is and how to break its grip

Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.

Moving from Trauma and Failure to Healing and Success by *Chuck D. & Pam Pierce*

The Body of Christ is moving forward at an accelerated rate toward fulfillment this season. However, when trauma is not processed correctly it can lock up our emotions and create a self-defeating mentality. But God! Now is the time to learn that we can actually enter into the benefits of trauma as we continue moving forward. Pam shares on the levels of regret and how to overcome the power of regret. In this 4 CD collection, allow your faith to be stirred for new freedom, and leave the power of trauma behind to stake your claim for the future!

Overcoming the Stress of a Changing Season! by *Chuck D. Pierce and Blake Morris*

We all know what it is like to deal with stress during changing times but the good news is that we do not have to be overcome by it. It is possible to move through it and come out on the other side. Then Blake Morris shares incredible testimonies and practical insights on how to keep going in the season we have entered. Topics covered were:

- Overcoming the Stress of a Changing Season
