

***Moving Toward Corinth!  
Day 1 of the Corinthian Focus!  
Key Material Specials for this Month!***

**Global Spheres Center to be Developed in Corinth!** I look forward to you participating with us as we pray over the next **28 days** for our shift toward **Corinth**. As you know, we purchased a building that will be our **Global Spheres Center** five miles south of Denton.

When we moved to our current facility at Woodhill Square 10 years ago, we entered into a new season for the Church. The leaders of Glory of Zion began to develop their identity. We determined that we wanted to build a prophetic portal so that anyone from anywhere in the world could come and hear God. We also determined that out of the revelation river, we would teach what would help the Body understand the times and seasons that we were living in and moving into for the future. That 10 year season has ended. Ten (10) is linked with testimony. We have encountered many tests, but have developed a good testimony as we have endured and propelled God's people forward.

We are now progressing into another 10 year season. The main difference I see in this season is that we are moving **FROM** a church identity with a thriving worldwide ministry **TO** a Kingdom identity with a heart to affect all the spheres of society.

***The City of Corinth!*** In the Bible, the city of Corinth was a trade center and represented the **crossroads** of society. The people of Corinth had a reputation as unruly, hard drinking, sexually promiscuous, and very corrupt. When Paul came to this city to establish God's plan and preach the **Good News**, he had to work with the people that the *Spirit of the Lord* had sent him to work with.

These people were experiencing a new life of salvation, but had no idea of holiness and community transformation. The more he worked, the more factions developed with those he was working with. Additionally, the morals of the people did not progress rapidly. ***The real problem was that worship degenerated.*** Because of this historical precedent, we felt called to worship on the new property and around and in the new building for 28 days, before we ever advanced to build our future.

Paul never disowned this group, but presented the call for them to make the Holy Spirit and presence of God the central focus of their lifestyle. He had detail after detail of how God's saving love should manifest in corporate Kingdom gatherings.

***As we now progress to Corinth in our new building, we believe it's important to pray daily through the books of 1 and 2 Corinthians.*** As we pray, I feel like we will be seeding into the next move of God in the earth realm. **Please read 1 Corinthians 1.** Take a good look at who you presently are. Also review how you came to know the Living Christ and how you are being

used in His Kingdom plan. In Corinth, the people were ambitious. However, one “tooting their own horn” does not cause the Kingdom of God to advance.

1 Corinthians 1 says, “**God chose the ‘nobodies’ to expose the hollow pretensions of the ‘somebodies’.** ... *Everything that we have – right thinking and right living, a clean slate and a fresh start – comes from God by way of Jesus Christ. That’s why we have the saying, ‘If you are going to blow a horn, don’t blow your own horn, blow a trumpet for God.’*” (vss. 26-31, The Message Bible).

All God’s gifts are right in front of you as you wait expectantly for our Master, Jesus, to arrive on the scene for a great finale. (vs. 7) God is right alongside you to keep you steady and on track until things are all wrapped up into a plan of fullness. Know this: God will never give up on you. Never forget that!

This will be a good 28 days for each of us to evaluate our relationship with the Lord. Progress through the books of 1 & 2 Corinthians with us and evaluate your relationship with the Lord, your place in the Body of Christ, how the gifts of the Holy Spirit are working in you, your relationship with those in the Body functionally and territorially, and your call to be a vibrant Kingdom citizen in days ahead!

**[Sign up now for the Passover Gathering on April 21-24 at the University of North Texas Coliseum!](#)** I want to invite you to join us on *April 21-24, 2011* for our **Passover and Resurrection Celebration: Passing Over Into A Season of Triumph!** This is the first of our three major gatherings this year. This year’s gathering will not be like last year. We are no longer looking to escape the land of Egypt and the threat of Pharaoh and his chariots. Rather, we are standing at our Promised Land and are preparing to enter a new season of inheritance. Join with us as we declare there is power in the Blood of the Passover Lamb, JESUS, for redemption! I have invited a powerful team of ministers to join me, including *Peter Wagner, Dutch Sheets, Sergio Scataglini, Barbara Wentroble, Paul Keith Davis, Eddie James, Cindy Trimm, Robert Heidler and others.*

In the early church, Passover was one of the most important times of the year. Passover is the redemptive feast linked with crossing over and entering resurrection power through the blood of the Lamb. ***God gave us this Feast to celebrate being redeemed by the blood of the Lamb out of the hands of the enemy.*** We will move from Passover to Resurrection and enter into a joyful time to remember that Jesus died to set us free! This allows us to enter into the fullness of every covenant promise that has been extended to mankind. In a world of chaos, we can see the Lord's power! ***Come and expect to Touch HIM and be TOUCHED by Him!*** You can join us onsite or by webcast for this time of consecration, celebration and revelation for the season ahead. Our desire is to see representatives from every state of this nation as well as many other nations.

The cost to attend onsite is **\$20/person** or **\$35/married couple**. Groups of 10 or more (registering at the same time) can register for **\$15** per person by calling our office. Go to [www.gloryofzion.org](http://www.gloryofzion.org) or call **1-888-965-1099** to register today. If you would like to join us by webcast, please go to our [website](#). Group discounts are also available for webcasters.

Blessings,

### [Leaving the Narrow Place To See the King in the Field](#)

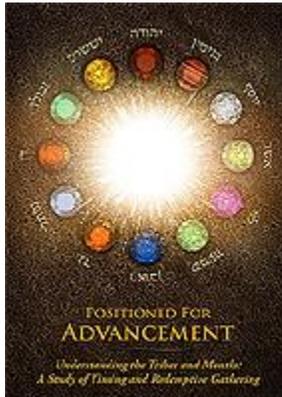

This was a unique Firstfruits Weekend Gathering where we focused on the Rosh Chodesh blessing for Elul, breaking the power of fragmentation, and celebrated Peter Wagner’s 80<sup>th</sup> birthday. On Friday night, **Robert Heidler** shared how the Lord designed the Hebraic month of Elul as a time to meet Him in our “**field.**” If we are willing to seek Him, He will show Himself strong in whatever circumstance we may be. Saturday morning was led by **Chuck D. Pierce** and focused on “**Breaking the Power of Fragmentation.**” He shared how God has designed a cycle of life for each of us, and how the enemy longs to traumatize our development so portions of our soul are fragmented and never develop fully. Our morning concluded with questions on how to determine if one is fragmented, and a time of healing spirit, soul, and body.

On Sunday morning, **Dr. Peter Wagner** provided an incredible example of apostolic transference of authority as he set in John Kelly as his successor in the International Coalition of Apostles, and Chuck Pierce as the recipient of the inheritance of Global Harvest Ministries. In the second service, Peter went on to share various stories from his and Doris’ life. Highlights from the “Birthday Bash” for Peter’s 80<sup>th</sup> birthday are also included in this set. If you are longing to leave behind your wounds from the past season and move into the season ahead in wholeness, then this set will be a great encouragement to you!

**Half Price Special: \$15 for CD set** (regularly \$30) and **\$20 for the DVD set** (regularly \$40)

## Positioned for Advancement

***This will be recognized as one of the most foundational gatherings we have ever hosted.*** One of the pieces of our armor is the Breastplate of Righteousness. By understanding timing and the redemptive quality of the 12 tribes, you understand your breastplate. You are the righteousness of God in Christ Jesus. However, you have to know how to be righteous. Our understanding of the significance of redemptive gathering and timing has grown greatly since we first taught on the significance of the tribes and months nearly five years ago in the Issachar School.

- ***Embrace the Significance of Rosh Chodesh and Firstfruits*** (Robert Heidler)
- ***Discover the Power of Alignment in Seed Time and Harvest*** (Robert Heidler)
