

## ***Keep Ascending: Your Path Is Being Ordered! Removing the Thorn in Your Flesh!***

Thursday, February 13, 2014

*Dear Ascending Saints:*

### **40-Days to Advance!**

I so appreciate all of you who are joining in our 40-Day Evening Watch on “**The Fight of Faith: Opening the Portal of Provision, Revelation and Your Destiny for the Future.**” Each night the Prayer Tower will be open from 6-9 PM for those who want to come to pray and worship. These 40 days are not only about recovery, but also coming out of every wilderness place from the last season. I encourage each of you to find your time to enter in and seek the Lord during the evening watch – whether it’s here in the Prayer Tower, by webcast, or however you can find your time to get quiet and seek His direction.

These 40 Days are about negating war weapons focused against you! Beginning in January, I started releasing a word about **Iran**. The word was to watch Iran very carefully through March 21. The Lord continued to say that Iran would be positioning itself for war. My hope was that if we watched carefully and prayed accordingly, the war that was being planned would be postponed. There are weapons pointed at you in the spirit realm... No weapon formed against you will prosper!

### **Your Path Is Being Ordered!**

On Sunday morning, the Spirit of the Lord released a key word about our steps: “***I will now step your feet in My order. For these next 18 months the way you walk will need to be in My sound and in My way. For many things on your path will change and many directions now will be sent down. For angelic forces have been dispatched and nations will rearrange, and people will find themselves seated differently, and doors will open.***”

*Now get in My footstep for I will begin to flow in ways over you that you have never seen Me flow before. Seas will begin to rise and oceans will begin to come into a new order, and what was on the bottom will now come to the top. Many hidden things now will be opened up and My people will now go in and overcome and say ‘I am positioned for the next season!’”*

### **Ascending Through the Portal!**

Several weeks ago in a worship meeting here, Janice Swinney had a vision of the Lord being enthroned in our praises. During this season when we are gathering to keep open the portal that was established, I thought it would be wonderful for Janice to share what the Lord showed her. During yesterday’s Kingdom Force Institute worship and teaching in the Prayer Tower, she

shared on “Ascending Through the Portal!” You can watch the [webcast replay](#) through next Tuesday.

### **Special Sunday Ahead!**

For the first time this year, I plan on ministering! The Lord said to me, “*There are many with thorns in their flesh that need removing!*” This is a ***Time to Defeat the Enemy*** that is attempting to work havoc in our souls! Don’t miss this time! A ministry team will be available!

***Firstfruits is key to your purpose, prosperity, and power!*** Don’t miss the webcast replay for Adar I that will be available through February 27.

### **Upcoming Travel Schedule**

I greatly value your prayers when I am traveling, as well as the opportunity to meet many of you when I travel from state to state and nation and nation. Later today I will be joining my good friends, Wesley and Stacey Campbell, for a meeting in Lindale, Texas.
