

***Pressing Forward in Prayer - Join us at 4 AM in
the Morning Watch!
The Menorah is Set in Place in the Prayer Tower!***

Tuesday, February 14, 2012

Dear Watching Saints:

There are three things I want you to start watching for:

1. **A Change in the Prayer Movement.** We are now in the Morning Prayer Watch (the Fourth Watch), and the Prayer Tower is being completed. This will open up for a new move of Watchmen Intercession.
2. **The Next Center for Advancement Course.** Most people do not understand the importance of Hebraic number and letters. This is almost a must course for all of us. *History's First Alphabet: Understanding Hebrew Letters & Numbers* will revolutionize the way you see the Bible. We will send a separate email on this, but make plans to join us on *February 24-25*.
3. **Our Passover Celebration on April 5-8.** This year I am more excited than other times to celebrate Passover—even more than when we hosted the gathering on the land along I-35 on the north side of Denton several years ago. More details are below.

Our Celebration Service on Sunday morning was wonderful. The worship helped usher us into a new level of anointing and revelation. After the tongues interpretation of the Holy Spirit sending a wave to get many off the sandbar where they had stalled, Tom Mosley wrote to inform us of the headline for the Denton newspaper that very morning: **STUCK IN THE MIDDLE**. I then ministered on ***"A Time to Get Off Dead Center and Move Forward!"*** If you were not able to join us, you can watch the [webcast replay](#) through tomorrow (Wednesday) evening.

Tomorrow (Wednesday): Join the Morning Watch at 4 AM!

This month we are focusing on the fourth, or “morning watch,” which runs from 3 AM to 6 AM. This watch deals with the breaking of a new day, and the power of resurrection as we watch with the Lord. If we will continue to watch with the Lord, we will experience His glory!

Tomorrow (WEDNESDAY) morning, we will meet for corporate prayer at the Global Spheres Center at 4 AM. If you are not able to join us in the Tabernacle at that time, you will be able to enter in by webcast. I look forward to leading this watch again. We will also make this prayer gathering available as a webcast replay through next Tuesday. Next week, Wednesday (Feb 22), we will meet at 5 AM, and on Wednesday, February 29 we will meet at 6 AM.

Special Fellowship Gathering on Thursday Night at 6:30 PM!

This Thursday night, we will be having a special Fellowship Gathering at the Global Spheres Center. This will be different than our regular Receiving Power to Build and Advance gatherings. Many of you who are new to the area or new to this ministry have expressed an interest in learning more about the various activities and classes we provide, as well as the opportunity to meet some of our ministry leaders in a more relaxed environment. *So this Thursday night we will provide a light dinner in our Multi-Purpose Room and have different leaders share a bit about the ministry they help facilitate. This will be a great time to ask questions and learn how you or your family members can get connected in a new way, as well as to develop new friendships.* Anyone is welcome to attend this gathering, but we are specifically gearing this evening to those who are new to the area or to this ministry. Join us at **6:30 PM** in the Multi-Purpose Room (across from The Arbor in the area we use for conference registration) for a wonderful night of food and fellowship.

Establishing the Menorah in the Prayer Tower!

I am so grateful for your encouragement and prayers to keep us moving forward! We continue to give thanks for how the Lord has positioned us here at the Global Spheres Center, and the direction He is giving us to bring the Garden into the Tabernacle and the entire building. Yesterday we saw a visible demonstration of this as we were able to position the

MENORAH in the Prayer Tower. The pictures below show Jesus helping position and set the Menorah in place. (What you cannot see is he is balanced on the second floor railing!) We are declaring that the LIGHT OF THE WORLD will begin to penetrate the nations in a new way. Immediately below the Menorah is the *River of Healing for the Nations*. As you can see, this is more than halfway done, and will provide another powerful visual presentation of the Lord's desire to bring LIVING WATER to the nations and satisfy all those who are thirsty for true life.

Join us for our Passover Celebration (April 5-8)

We also look forward to many of you joining us here for Passover, when you can see our progress in the Prayer Tower and throughout the Global Spheres Center. That will also be an incredible time to see the new growth in the Israel Prayer Garden and spend time before the Cross in the Gentile Garden. There is such a presence of the Holy Spirit in the Gardens! Each

day when I drive onsite, my first priority is to pass the Gardens and thank the Lord for the testimony that is being raised up for a people who will acknowledge the Covenant God of Israel.

Passover is a time to remember the power of the Blood! Join with us on **April 5-8** as we celebrate Jesus' victory over death, hell and the grave. We have an incredible team of ministers. **Dutch Sheets** just let us know he would be able to join us again. **Jonathan Cahn**, author of *The Harbinger*, is also able to join us. Plus we have many other speakers who will help us break forth in a new way, including **Peter Wagner, Paul Keith Davis, Judy Jacobs, Barbara Yoder, David Schneier, Kyle Searcy, David Demian, and Robert Heidler.**

There is no charge to attend! Please register today by going to www.gloryofzion.org or by calling **1-888-965-1099** or **1-940-382-7231**. Box lunches will be available for pre-purchase for **\$5/day**.

Blessings,
Chuck D. Pierce
