

***Overcoming Depression and Fear!
A Time to Go to the Next Level of Authority!
Honduras Trip Report!***

Wednesday, February 16, 2011

Dear Jubilant Saints:

Thank you for praying for us in Honduras. That was an amazing two days. Working with Paul Wilbur and his team was just amazing. This event extended far beyond capturing video footage for the Desert Rain ([Lluvia en el Desierto](#)) Worship CD. His desire was to see the nation of Honduras and all of Latin America break forth with a new expression of worship. Both nights we saw incredible breakthroughs as the 600 person backup choir as well as the over 6,000 in attendance broke into spontaneous worship. The Holy Spirit anointed me powerfully and I was able to move in and out of the worship and prophesy what the Lord was saying. Honduras is a nation where the worship of the nations has broken forth in a new way. Continue to pray that this sound of worship will sweep south and north to impact all of the nations and Americas! If you were not able to join the live webcast on Saturday night, you can still view it for a few more days by clicking [here](#). (Note, you will need to scroll to the bottom of that page to see the two video segments from Saturday night which are still available for replay.)

Overcoming Depression and Fear

I received many comments from those who joined our services on Sunday morning. Pam's teaching on "**How Depression and Anger BLIND Us from our Future!**" as well as Robert's teaching on "**How to SEE Your Fears!**" touched so many. If you not able to hear these messages, you will want to watch the [webcast replay](#) or purchase the [DVD](#).

A Time to Go to the Next Level of Authority! This Sunday we will have ***Apostle John Kelly*** at Glory of Zion as our special guest in the 8 AM service. He is one of the fathers in the apostolic movement. We look forward to hearing on how he sees the apostolic movement shifting in days ahead. ***From Past to Present and Beyond!*** Then I will be team teaching with Robert and Linda Heidler in the second service as we share the original vision of this ministry, the promises the Lord has given us over the last decade, and how we are being positioned to move into the future. I will give you a complete overview of our resource structure, and how we are positioned to advance. You are a part of taking the land and developing a place for your divine connection to prosper!

Daniel and Amber Pierce (and Lily) left for Israel today. We will send details tomorrow.
