

Hebrews 11:3 says “*By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.*” The LORD made covenant with Abraham, the Hebrew. The language in which He made covenant with Abraham was Hebrew. Hebrew, *abar*, means to pass or cross over. Having some understanding of Hebrew gives us revelation over how to cross over from season to season in the blessings of the covenant we have been grafted into. As children of God through the Blood of the Lord Jesus Christ, we have been grafted into Abraham’s covenant. He has already built within us the ability to cross over. His language activates spiritual power within us to make a shift at strategic times.

On **February 24-25**, Robert and I will devote an entire *Center for Advancement* class to **History’s First Alphabet: Understanding Hebrew Letters and Numbers**. Hebrew is a complete language in the sense that its characters “speak” through both form/picture and sound. Therefore, the Hebraic letters and numbers can provide a deep level of revelation as we study the times and seasons in which we are living.

Many have heard Robert and me teach on the significance of the Hebraic Year, but wonder how we developed this understanding. Historically, the Hebrews used the first 9 letters of the alphabet to form the numbers 1-9. To get the numbers 10, 20, 30, ..., 90, they used next 9 letters, and so on. As a result, Hebrew numbers given in dates can sometimes spell out a word.

In addition to this, we can learn a great deal from the Hebrew **alphabet**. Unlike English letters, each individual Hebrew letter was originally a pictogram (picture). Therefore, a Hebrew letter not only represents a *sound*, but also represents an *idea*. Often the meaning of the letter can still be seen in the *shape* of the letter, which gives us additional insight into what the Spirit of God is revealing, from season to season.

Hearing God through Hebrew letters and numbers is not a mechanical process. Nor is it a matter of figuring things out with your intellect. Rather, it requires some study, as well as learning, to hear what the Spirit is saying. ***In fact, once you know how God speaks through the Hebrew language and numbering system, you can gain great insights in many areas!*** That is why we believe next weekend’s class will be so foundational for our future.

This Center for Advancement class will be offered at no charge - onsite as well as by webcast. We will begin on Friday night at 7 PM, and continue on Saturday morning at 9 AM. If you are attending onsite, you can register by clicking [HERE](#) or by calling (888) 965-1099 or (940) 382-7231.
