

A Gimel Encounter in Switzerland! ***This Sunday ... The Feast of Purim: Warring from Prophetic Destiny to Overturn and Evil Decree!***

Saturday, February 16, 2013

Dear Praying Friends:

Thank you so much for your prayers as I traveled to Geneva, Switzerland. If you watched the [Video Travel Blog](#) on our website home page, you already have an idea of the significance of this gathering. TO THE SURPRISE OF ALL OF US, WE ENDED UP IN GIMEL, SWITZERLAND IN SOUTHERN SWITZERLAND! After a hard trip and the Geneva airport being snowed in, we were eventually rerouted to Zurich, in northern Switzerland. From there we caught a train to Geneva, and then a 40-minute cab ride to Nyon, Switzerland in the very southwestern corner of the nation. We arrived at our hotel only 5 minutes before needing to leave for the meeting. We then got in vans to travel twenty minutes to our gathering place. When we arrived, I looked at Martin and Norma Sarvis in amazement. The place we were to meet for the day was **Gimel** (the third letter of the Hebrew alphabet as well as the number 3, originally picturing a camel)! ***Heaven will reveal the historical decrees made throughout the day.*** I felt the Lord said, "I had to have a troop that would go through the narrow place and secure their blessings for this season." I felt every decree made was also on your behalf.

This Sunday at the Global Spheres Center: The Feast of Purim! Warring from Prophetic Destiny to Overturn an Evil Decree!

I hope many of you will be able to join the service at the Global Spheres Center tomorrow at 9 AM. **Robert Heidler** will be teaching on **The Feast of Purim**. This is our month to celebrate Purim - the joyous holiday that celebrates the salvation of the Jews from the wicked Haman, through the leadership of Queen Esther and her cousin Mordecai. So don't miss Robert's message that will help us understand how to war with our prophetic promises. If you cannot join the live service, the [webcast replay](#) will be available through Saturday evening.

The (First) Camel Has Come! I loved introducing **Chayil the Camel** last Saturday! For those of you who were not able to join us onsite during our School of the Prophets weekend, we have created a short featured video so you can get to know our first camel. Just click [HERE](#) to watch her GSC debut! *Chayil* is the Hebrew word for strength. In this year in which we are declaring our camels are coming, we are declaring that the Lord is releasing strength to you to press beyond any season of barrenness and into a land of recovery and wholeness!

Arise and Prophecy! You Are Being Mantled Like Jehu! The Ancient of Days Has Come with a Key to Reset Your Path! Last weekend's School of the Prophets was just wonderful! If you have not taken the time to watch the free webcast replays of all the session, you can still do so through this evening. Just click [HERE](#) to watch sessions by *Paul Wilbur, Robert Heidler,*

Barbara Wentroble and me. Also, if you have completed the class on *A Time to Prophecy* and would like Kingdom Force Institute credit, you can go to our [website](#) to register for certification.

During our weekend, the Spirit of Prophecy fell, and Barbara Wentroble, Keith Pierce and I began to prophesy:

“I am mantling you with a Jehu spirit in this hour. I’m going to cause that Jehu spirit to rise up in you and overturn what has stopped the prophetic voice in days past, I’m going to give you the power and the anointing to break the power of that. (When Brian and John mark got to New York, on Monday, the cab driver’s name was Jehu!) I am resurrecting that gift that is in you, which was shut down and pushed aside. This is the hour that I come and I cause a fresh new river of My anointing to flow through you. Reach out and receive a new mantle. Let the Jehu spirit come upon you to stop all the tactics of Jezebel. I say her day is over. This is the day I’m calling the prophets to arise.

“I am the Ancient of Days, and I’m recreating a momentum for your life. I am slowing you down so I can accelerate you in days ahead. For the enemy has attempted to wear you down. The enemy has attempted to change laws and change times to begin to stop you from accomplishing My will. The enemy has attempted to trap you by getting you out of My timing. But the Ancient of Days is now rising over you to reset your pace ahead. Stand with Me and travail for the 21-day period that I tell you. And when you do that your pace for the future will be re-ordered.

“He is coming as the Ancient of Days, and because He is the Ancient of Days, there is an ancient key that He carries. And in the carrying of this key you have seen the enemy take his place between you and the promise at this level. Press in, press in, press in and contend with the enemy because even over the next 21 days I will give you the strategy to contend with the one who has set himself to contend with you. And then as you have pressed the 21 days, I will hand you the key of the Ancient of Days, and then I will contend with the one that has contended with you!

“Many hearts have been wearied and many, many minds have grown cold in My thinking process. But I am resetting heartbeats, and I’m opening up what’s been closed down. I’m restoring and I’m causing you to walk in a time that escaped you in one season. If you will set your pace with Me, the next 7 years I will produce greatly for you and My storehouses will be made full.”

Now Taking Pre-orders for A TIME TO PROPHECY: A School of the Prophets Weekend!
with Chuck D. Pierce, Paul Wilbur, Robert Heidler, Barbara Wentroble and Dutch Sheets

Hearing the voice of God is not as difficult as some might think. Many of God's people are hearing Him, but not perceiving that it is His voice. At a time when the world around us is changing drastically, we must learn to perceive His voice. This will help us understand His will for our lives, and how He desires us to prosper in all we do. That is why our *School of the Prophets* weekend was so vital. Each of these Kingdom Force Institute sessions will activate you to walk with a new authority and freedom:

- **Moving from Intimacy to Warfare in Worship** (*Paul Wilbur*)
