

RISE AS ONE - Worship in Jerusalem Replay Now Available!
Let New Sounds of Worship Arise!

Tuesday, February 23, 2016

Dear Friends of Israel:

We are so excited about what is going on in Israel! Daniel and Amber Pierce are leading a whole new expression of worship. They are reaching a generation in Israel. Martin and Norma Sarvis are involved with them, along with many other leaders, as they gather people every other month to worship. I look forward to taking a team in May. Their next Worship in Jerusalem Gathering will be on March 17, and Trevor and Sharon Baker will be their guests. When you watch this replay from February 11, something will happen in you. As you know, we are in ***SEVEN DAYS OF PRAISE***. This video replay from Israel will help unlock new sounds and expressions of praise in you.

Anne Tate came in this morning, and said that after watching the Worship in Jerusalem video, she actually rapped last night in our 6 PM praise gathering – if you can imagine a 70-year-old white woman rapping! Anne writes the following:

“I am loving this week of morning and evening worship. All day yesterday I was seeing different ways to give glory to God apart from just standing and singing. Watching the intercessors that are participating in this week of worship, I believe we want to be able to stand and deliver a verbal praise to God out of the sheer joy of being His child and having a place to come and express it. I am getting my praise on in a new way!

When I looked at Jonathan Dickson yesterday, the Lord spoke to me, ‘He can worship me in the rant.’ A rant is what we refer to when Jonathan has written and memorized a dramatic perspective. They are awesome and he is awesome in his delivery. It energizes all of us.

Over lunch, Tobias Lyons and I were talking about how I had watched the Worship in Jerusalem video from Daniel and Amber Pierce. In the worship a young man did a rap to worship God, and I encouraged Tobias to try it. In just a minute, the Lord began to give me a rap for the 6:00 pm watch later in the day. I didn’t do it very well but I did it with gusto! We were determined to move in new ways and try new things, and we experienced new freedom in the process. This morning when we came in to worship at 6 AM, John Dickson kept bringing forth free-flowing songs in the Spirit, and the worshippers were more free to express our heart -- becoming fearless in the process.”

Be sure to read below what Daniel and Amber also share, and be sure to watch this [replay](#) to not only enter in to what it is going on in Israel, but let Israel come in to you!

Blessings,
Chuck D. Pierce
