

**Eddie James and His Warring Troop to be Here on
Sunday Morning!
The Transistion of the Season!
Judah Goes First (New CD)!**

Wednesday, February 25, 2015

Dear Worship Warriors:

We spend yesterday and today completing a new CD, **Judah Goes First!**

Aligning the Hallelujahs of Heaven and Earth in Praise! War! And Triumph! This is an amazing prophetic accumulation of sound, decree and revelatory release. Your spirit will be unlocked and soar in a new way once you receive and hear it.

Breakthrough Sunday with Eddie James!

I am looking forward to this Sunday when Eddie James will be joining us for our Celebration Service. He will once again be accompanied by his warring troop to usher in a sound and heartbeat for revival. The passion and testimonies from the next generation that minister with him will ignite a fresh passion for Jesus and His power to save and deliver. ***If you have children, or know of students or other young people who need an awakening encounter, be sure to invite them on Sunday morning!*** After such a powerful gathering last weekend, we are to continue with this Sunday with powerful worship and Holy Spirit breakthrough!

A Winter Snow in the Israel Prayer Garden!

This morning we woke up to sleet turning to a beautiful snow. Pam took several pictures in our Israel Prayer Garden, and more will be available on the Beulah Acres Blog (so be sure to check out all the latest happenings in the Gardens by clicking [HERE](#)).

When I saw the snow gently falling this morning, I was reminded of Isaiah 55:10-11: *“For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”* As the snow has now subsided and melted, I am declaring that God’s live-giving Word is encompassing you this day, and that His plans to give you hope and a good future will break forth like the noon day sun!

A Time of Transition!

We feel this week is truly our transition week for a new beginning. The pictures above from the Garden are one example of what it looks like to be in the midst of transition. I also asked people to send pictures depicting a new season beginning in their life. Here are pictures of a rose blooming from Kim Bangs, of a vine going over a fence from Betsy Clark, of daffodils blooming from Deborah Davis, of a first bloom from Joyce Taylor, and of a Purim celebration. The final picture by Gili Yaari is being considered for a [Sony World Photography Award](#).
