

## *Prospering in the Midst of Warfare! from Daniel and Amber Pierce*

February 27, 2012

*Dear Friends of Israel:*

This morning Daniel and Amber called to say they were in their bomb shelter since they kept hearing the sounds of missiles. The Lord is so with them in Israel that I have complete peace. They are fully pursuing their call. Amber will be speaking at a Youth Event this next weekend, so please pray for her. They are also preparing all the ingredients for the new anointing oil linked to a new prophesying generation, that we will be giving out at Passover.

As you will read below, rocket attacks are something Daniel and Amber, along with many others in Israel, had been praying about and preparing for. When you live in uncertain times, fear can try to overwhelm us. However, as my wife, Pam, often reminds me, we are always safest in the location where the Lord is calling us. I so value how Daniel and Amber have operated in Israel. Although there is great danger, there can also be great assurance that the Lord is ordering each day. As you read Daniel and Amber's report, may fresh faith arise in you for the path the Lord is calling you to walk.

Another awesome thing that God is using this ministry to help them do is work with widows and single mothers. Daniel shared with me about an event for a widows and orphans ministry. This will take place on March 20-23, with a budget of \$3,000. This will be a retreat for widows and their families and involve teaching, Bible study, and discipleship. I loved that Daniel asked if we could share this with you to allow all of us (myself included) to donate towards this worthy cause. If you would like to give to this cause, you may donate by clicking [HERE](#) and noting "Israel Widows" in the comment filed or by calling 1 (940) 382-7231. You can also donate towards the continuing work Daniel and Amber are doing. They are also buying groceries for single mothers with children.

Blessings,

Joel 3:17-21 says: *"Then you will know that I, the Lord your God, dwell in Zion, my holy hill. Jerusalem will be holy; never again will foreigners invade her. "In that day the mountains will drip new wine, and the hills will flow with milk; all the ravines of Judah will run with water. A*

*fountain will flow out of the Lord's house and will water the valley of acacias. But Egypt will be desolate, Edom a desert waste, because of violence done to the people of Judah, in whose land they shed innocent blood. Judah will be inhabited forever and Jerusalem through all generations. Their bloodguilt, which I have not pardoned, I will pardon. The Lord dwells in Zion."*

I woke up this morning and read in the news that there had been a large riot at the Temple Mount in Jerusalem. (Click [here](#) for a short news footage video.) Over the course of the fighting many police officers and protesters were injured and one man was reportedly killed. There has been a lot of tension over the last week between Palestinians and the Orthodox Jews concerning the Temple mount. When I read this it truly saddened me because I visited the Western Wall and Temple Mount for the first time just a couple of weeks ago. A good friend of the family, Anthony Lyle, was staying with us at the time. When you enter the Western Wall, there is a sign that reads "the presence of God rests in this place." You can feel a tangible peace resting on the courtyard that I believe bears testament to the Lord's heart for the temple and Jerusalem. This place is truly set apart and holy in God's sight.

***Join me in praying the Lord's will this week***, that the mountains will drip new wine, the hills flow with milk, the ravines of Judah would run with water, and any guilt that would keep Jerusalem from realizing God's promises will be pardoned from her blood line. Pray that the Lord's presence in Zion will be so strong that it can be felt in a tangible way and acknowledged even by those who are not believers. Rebuke the spirit of Islam who has fully submitted himself to Satan and has no place in the presence of the Father. We also bind the pagan gods and demons of the desert who pre-date Islam and have incorporated their worship and customs in this land.

Pray that the Jewish people will see the simplicity of salvation and find freedom in Yeshua the Messiah. Pray that the Holy Spirit will reveal Himself and rest in this place. I pray that the Holy Spirit will reveal Himself because there are many testimonies of this happening here and people come to know the Lord often through visitation.

### **Withstanding Attacks**

It is the general consensus among most Israelis that we are coming up on some hard times with Iran and other Middle East issues. Many intercessors including myself are having dreams about rocket and missile attacks on Israel. In one dream I had a couple months ago, Amber, Lily, and I, were in a large house which was being fired on by tanks. In the dream we did not know which room the next shell was going to hit until just before the explosion, but in each case we were able to move to another room before the blast. In another dream I had more recently, there were multiple rocket launchers aimed at Jerusalem. I could see thousands of the launchers in a field just as they turned toward the city and began to fire one rocket after another. Again in this dream I was able to find shelter from the explosion. Many others we know are having dreams like this as well.

***I feel that it is very important not to operate in fear but to have faith for the future -- both on a personal level and to watch God use hard times to bring us face to face with His vision for us.*** Even as Christians, we are often guilty of focusing on our own personal problems and losing sight of the vision God has for us corporately. The key to overcoming is to focus on God's will

for us and become fully submitted to the Holy Spirit. When we are fully submitted our ears open and we are able to hear the Lord in a whole new way. I was reading the story of **Acts 16** last week where **Paul and Silas** were thrown into prison for casting a demon out of a servant girl in the town they were in. Instead of losing faith and resigning themselves to a long prison sentence, Paul and Silas started a worship service among the prisoners. During the night God used an earth quake to open the prison doors. Instead of running like I would have, Paul and Silas had even greater faith and stayed in their cells. The result of this was that the prison guard and his family were saved.

The next morning Paul and Silas refused to leave the prison until the magistrate who ordered them to be jailed came and set them free. That's right -- God can embarrass a magistrate. One might ask why was it important for the magistrate to let them go personally. I think it was important to God because one of the devil's strategies is to hide the simple truth and if he can't hide it he will try to cover it up. How long do you think it took for the whole town to hear about Paul and Silas? How many more people may have been saved even after Paul and Silas left the town because of their testimony? Let us not forget that God can use whatever situation we are in to set many free.

***Pray that the Lord will raise up innovative carriers of the Good News and those who are willing to break the mold.*** Pray that the spiritual atmosphere in Israel will come into alignment with God's vision. The Bible says seek and you shall find Me; pray that those who are hungry will begin to seek salvation. Remember that most people get saved in times of hardship. Pray that key people here in Israel will begin to see opportunity in the hard times.

Isaiah 6:1-3 says, "Arise, shine, for your light has come, and the glory of the Lord rises upon you. See darkness covers the earth and thick darkness over the peoples, but the lord rises upon you and his glory appears over you. Nations will come to your light, and kings to the brightness of your dawn."

Blessings and shalom,

*Daniel, Amber and Lily Pierce*
