

***Knowing God's Voice Through the First
Alphabet!
Prayer Tomorrow Morning!
Thursday Night: James Vincent and Deborah
DeGar!***

Tuesday, February 28, 2012

Dear Overcomers:

What an incredible weekend! As we moved from the **Center for Advancement** class on **History's First Alphabet** to our **Firstfruits Gathering for Adar** to our **Sunday Morning Celebration Service**, the Spirit of God released fresh revelation to help us see, hear and move forward in a new way! Replays are available for all three ... so be sure to watch if you have not already! Daniel and Amber watched the CFA class from Israel, and sent a wonderful diagram that shows how each of the letters in the Hebraic alphabet are reflected in the Star of David. Just look at this graphic!

Join the Morning Watch Tomorrow (Wednesday) at 6 AM! During the month of February, we have been praying through the fourth, or "morning watch," which runs from 3 AM to 6 AM. Tomorrow, I will be leading corporate prayer in the Tabernacle at 6 AM. I hope that many of you will be able to join us as we break open the day!

Thursday Night "Receiving Power to Build and Advance!" Make plans to join us Thursday night at 7 PM (CDT) for our "Receiving Power to Build and Advance" service. **James Vincent** will be leading worship, and **Deborah DeGar** will be ministering on "**You Will Not Be Disqualified!**" If you are not able to join Thursday night's service, the webcast replay will be available through Saturday night.

History's First Alphabet: Understanding Hebrew Letters and Numbers!

Our class this past weekend was simply transforming! Robert and I not only taught on the understanding that can developed from the Hebraic language, but how the power of God is still released today through the world's first alphabet. Hebrew is a complete language in the sense that its characters "speak" through both form/picture and sound. So each of our sessions focused on learning to gain insight from the Hebrew letters and numbers. Sessions in this class include:

1. *The Inherent Power of the Hebrew Language*
2. *Introduction to the Hebrew Alphabet*
3. *Understanding the Word of God in Hebrew*
4. *An Introduction to Hebrew Numbers*
5. *Knowing the Hebrew Letters: Part I*
6. *Knowing the Hebrew Letters: Part II*

If you are not able to join us, you will want to watch the webcast replay through March 11. However, the level of revelation in this class will be so great that many of you will want to purchase a set of the CDs or DVDs so you can review it over and over. Go to our [webstore](#) or call **1-888-965-1099** to order this class for the discounted price of **\$40** (regularly \$75) through March 30.

Firstfruits Celebration for Adar! Our Rosh Chodesh Celebration on Saturday night was a blowout. This is a time to declare that your fear will turn into laughter, and that plans to overthrow the people of God will be reversed. If you were not able to join us, you can still watch the webcast replay through March 11.

Blessings,
Chuck D. Pierce
