*Dear Advancing Saints:*

I loved the report we received from Daniel and Amber Pierce. As you can read further below, they are presently at the Dead Sea to hear from the Lord on how to prepare for Passover. They will actually be joining us here at the Global Spheres Center in April when we host our Passover Celebration. In addition to Daniel and Amber, we have a wonderful team of ministers joining us to help us enter into this celebration of freedom and deliverance, including ***Bobby Connor, Tom Hess, Steve & Joy Strang, Jenny Watson*** (from England), ***Robert Heidler*** and others.

As Christians, one of the most important times of the year for us to remember and celebrate is Passover. ***In this year, 2014-5774, a year of the door, I believe this Passover is particularly important as we celebrate pressing through a narrow place of confinement, to enlargement, and from captivity, to freedom!*** Join us here in Corinth on **April 17-20** as we celebrate Passover and the resurrection power of our Lord Jesus Christ. We will begin on Thursday night and continue through Sunday morning.

There is **no charge** to attend our ***Passover Celebration***, but ***registration is required*** as seating may be limited. Register today at our website or by calling 1-888-965-1099 or 1-940-382-7231. If you cannot join us onsite, please make plans to invite others to your home or gathering

place to connect by webcast. There is *no charge to webcast*, and you will register when you sign onto the live webcast.

Blessings,  
*Chuck D. Pierce*

Daniel and I are currently at the Red Sea. We came to seek the Lord for the season that we are entering into. We felt that this was the place God wanted us to prepare for Passover because this is where Israel broke through, into freedom from Egypt. All the miracles that occurred throughout Moses' life led up to the moment when God's will to set Israel free was accomplished! When the Red Sea parted, it was a fulfillment of everything God had promised Moses, as well as the establishment of the mantle he would later pass on to Joshua. God raised Joshua up as one who was willing to push forward into the fullness of the work He had started with Moses.

God has been showing us how it is time for our generation to accept the call and dedicate ourselves fully to the work God wants to do in us. **We can fully begin to walk in destiny, when we see ourselves the way that God sees us.** As you seek the Lord for the future, meditate on Isaiah 62:3-4: *"You shall also be a crown of glory in the hand of the LORD, and a royal diadem in the hand of your God. You shall no longer be termed forsaken, nor shall your land any more be termed Desolate; but you shall be called Hephzibah, and your land Beulah; for the LORD Delights in you, and your land shall be married."* **You are a royal diadem in the hand of your God!**

From the Red Sea,

*Daniel and Amber Pierce*
