

***A New Administration!
Don't Miss Understanding the
Government War Ahead!
Sunday - The Stars Will Work for You!***

Friday, February 3, 2012

Dear Praising Saints:

I have really been looking forward to this weekend. We continue to break forth into new realms of worship, revelation and anointing. This weekend we are focusing on ***A NEW ADMINISTRATION!*** Join us tonight as we begin our **Center for Advancement Class on Understanding God's Government Today!** In a season of piercing world structures, we should not assume Kingdom government will operate as it has in the last season. Tonight Robert Heidler and I will begin teaching how the Lord is establishing His government and administration in the HOUSE. I really do not know anyone who teaches on this any better than Robert. There will be no charge to join us, onsite or by webcast, for this class which begins tonight at 7 PM and continues tomorrow morning at 9 AM. The class should conclude by around 4 PM. If you are not able to join us, this class will be available for replay through February 24.

SHEVAT BLESSING SATURDAY NIGHT! Tomorrow night at 7 PM, we will have our ***Firstfruits Celebration for Shevat.*** One of the most important things any Christian can know is that God *has* blessings prepared for you. I love how this month of Shevat is one to declare, "My blessings are on the way!" The Lord creates pathways of opportunity for us to walk into our blessings. These "doorways" allow us to go beyond, into a new realm of favor. I encourage you to make plans to join us tomorrow night. I will be leading us in this time of celebration. If you are not able to join us, the webcast replay will be available through February 24.

Sunday Morning Celebration Service at the Global Spheres Center (February 5, 2012)

I hope that many of you will be able to join the Celebration Service at the Global Spheres Center this Sunday morning at 9 AM (CST). ***John Dickson*** will be leading worship, and ***Allen Faubion*** will be teaching on ***Lord Sabaoth*** and how "***The Stars Will Work for You!***" I am so grateful for how the Lord is providing us understanding on the Hosts of Heaven and how heaven and earth align. Always remember that if you are in right alignment with heaven and earth, they work together on your behalf.

Blessings,
Chuck D. Pierce

This Center for Advancement course teaches on the agreement that is needed between Heaven and Earth, and how partnering with the Lord's angelic army opens the way before us.
