Dear Seeing Saints:

We are so grateful for how the Spirit of the Lord met us on Sunday morning. For the past three weeks there has been a fresh stirring in our worship, and great anticipation for how the Lord is desiring to meet us personally and corporately. You will not want to miss this weekend's "**A TIME TO PROPHECY!**" If you have yet to register for our School of the Prophets, you can still pre-register today by going to www.gloryofzion.org or calling **1-888-965-1099**. You can also sign up at the door beginning on Friday at 5:30 PM.

Also, we have a great video to share with you from our Celebration Service on Sunday morning. Click [HERE](#) to watch **COMMUNE, WORSHIP AND OVERCOME!** And don't forget that the Prophecy Center has prophetic revelation from Sunday as well. See From A Different Perspective!

During Robert's message on *The Pool of Siloam: Breaking into Miracles!*, he was teaching on the surging water of the Gihon Spring and likened this to the flow of God's power. When our gifts are submitted to an apostolic anointing, they can fully accomplish God's purposes. However, some do not like the discipline of being "channeled" like the waters of the Gihon Spring that must pass through a dark, narrow before pouring out in the Pool of Siloam. Robert's exhortation was that we must be willing to submit our gifts to the direction and guidance of the Holy Spirit.

As he was displaying a picture of the narrow channel, I began to see a greater picture of what looked like glory running out of that spring that would bridge us into the future. Then I heard the Lord say, "***I'm sending angels to you right now, and I'm going to help you in the midst of the place where you're being disciplined. And if you will come through this narrow place with that which I send to help you through the narrow place then you will cross your bridge into the future. There is great glory that will begin to develop around you in this narrow place that you're in. I am sending new songs of breakthrough in your narrow place, and from that I will press you across with new supply. The angels of the Lord Sabaoth have been dispatched to bring you into this new pool that will heal you, restore you, and give you vision for the future.***"

The following morning, my assistant, Brian Kooiman, was visiting with me about how I could see that prophetic word form. He shared that his eyes were fixed on the image of the projection screen which only showed the narrow channel through which the Gihon Spring flowed. Only

much later did he realize that the glory dynamic the Lord was illuminating was not in the screen, but in the display immediately below the overhead screen. The display showed an outpouring of glory pouring from heaven and connecting it to a bridge that led to provision and new sound. I felt the limitations Brian saw are reflective of many in the Body of Christ where we only see a portion of what God is expressing, and not the overall picture. My prayer for each of you is that you will not be limited in your vision, but will allow the Lord to open your eyes to see the bridge of opportunity He is placing before you! If you were not able to join the live service, the [webcast replay](#) will be available through Saturday evening.

The Watchman Anointing!

We continued our series of teachings on The Watchman Anointing today at noon in the Prayer Tower. This 10 year *ayin* season is one in which the “eye” of God is watching. If He is watching, then we must also learn how to watch. *Anne Tate* shared on “**Walking in the Watchman Anointing!**” This was a wonderful session with many accounts of watching that will develop your faith. If you were not able to join us for this Kingdom Force Institute class, it will be available as a webcast [replay](#) through Tuesday.

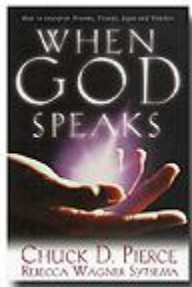

Then, tomorrow (Thursday) morning at 6 AM, do not forget about “**War Strategies for the Future!**” Deborah DeGar will lead a time of intercession along with members of the GZI worship team. If you need to press into war strategies to secure your future, please join this [prayer gathering](#) that will be available through Saturday.

Blessings,
